Notable Achievements by GACC Members in December

1. Paul Hackett scored his second career ace on Hole #5 on December 1. Word has it that it was a “slam dunk”—nothing but hole.
2. Congratulations to Joe Abela for acing Hole #8 during the Grand Finale Tournament on December 14, no doubt contributing to his team’s winning low gross score (see above). Congratulations to the Kenneys as well for collecting three CTPs, also likely contributing to the win by the Abela/Hendricksen/Kenneys team.
