

GACC Committee Reports March/April 2020

Community Relations Committee

- Essentially, all activities on hold due to the Covid-19 event. Prior to placing activities on hold,
- Met with the leaders of the Ladies groups at Cedar Creek.
 - Positive feedback from the 18 holer group, but follow up needed to confirm participation.
 - Positive feedback from the 9 holer and Weds ladies group leaders, with 2 Volunteers for our committee. Orientation emails sent to them prior to the
- On hold status.
 - Meeting with Jim McNair on hold
 - Pulled all “Up the Creek” articles after the initial submission due to unknown plans.
 - Article submitted to Cedar Creek Living magazine. Waiting for pre publication review. - performed review of CCGC website for the IT committee. Feedback provided.
- No meetings or activities in April.

Fund Raising Committee

- The objectives of the committee were written and approved by president Dick Leach.
- Organization was begun to help Hugh Ray move from his rental home to another location. In the midst of the planning, Hugh informed me that he had already moved so the activity was discontinued.
- No new committee members have been sought after due to the Coronavirus so any new activities have been put on hold for now.

Golf Course Volunteer Report

- A total of 15 volunteers performed 70 hours of course work. Areas cleaned or re-cleaned were holes #1, #2, #9 and #17, Driving range and area between parking lot and Club Drive. Fairway divots were filled on the back 9. Another 8 trailer loads and numerous work cart loads of debris removed from course. Bill Hunkele and Don LeBlanc have been removing cart path roots and performing cart path asphalt repairs on various holes. Don LeBlanc continued power washing clubhouse and sidewalk. Bill Hunkele has been removing roots on the course at various locations, some in the roughs and some close to tee boxes.
- On Friday, March 27 when I was coming from #18 to parking lot, Jim McNair stopped me and wanted to personally thank everyone for the effort put into cleaning up Cedar Creek. He was genuinely thankful. Every time we cleanup, Gary says thank you. The efforts are realized and appreciated by Jim and Gary and Mike D. With the situation with the COVID-19 virus and the Governors executive orders, no organized course cleanups were scheduled or performed.
- On Thursday, April 2 a new faucet was installed in the men's restroom at #15 and restroom was put back in service. 2 new faucets were installed in men's restroom at club house. No more drip, drip, drip.
- Don LeBlanc has continued on root work on various cart paths and Bill Hunkele has been working root removal at various areas on course, tee box, fairway roughs, etc. The Memorial garden by #7 green was cleaned and #7 and #17 roughs were cleaned.
