## **May 2020**

### **Community Relations Committee**

No meetings or activities in May.

### **Fund Raising Committee**

The objectives of the committee were written and approved by president Dick Leach.

Organization was begun to help Hugh Ray move from his rental home to another location. In the midst of the planning, Hugh informed me that he had already moved so the activity was discontinued.

No new committee members have been sought after due to the Coronavirus so any new activities have been put on hold for now.

### **Golf Course Volunteer Report**

With the Covid 19 situation and the Governors executive orders, no organized course volunteer sessions were scheduled. Unorganized activities did occur. The tree canopies between the various holes were raised at Gary's request for the ease of moving the sprayer without damage to the sprayer's booms. Cleanup was performed on #2 and #10.

An organized cleanup is planned for Saturday, June 6. Depending on turnout, we will work various holes to help maintain social distancing. Gary and Jim and Mike have mentioned numerous times their gratitude for the effort put forth by the volunteers. Also, the positive comments from various players as to appearance of the course are always refreshing.
