

CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING

January 17, 2006

President Dan Mulvey called the meeting to order at 6:30 pm and welcomed everyone. Dan reminded the audience that there is a sign in sheet and a sheet to indicate e-mail addresses and changes.

1. PRESIDENT'S REMARKS: Dan began the meeting by reading a list of chapters of a book on humorous golf stories being written by a friend. Dan thanked the 2005 Board and Committees, including the Dogfight Committee, for their service. Dan then introduced the 2006 Board and had each member of the audience introduce themselves. Dan also reminded the members to be recognized by the chair when wanting to speak on an issue, to stand up and identify themselves and not to interrupt other members when they have the floor.

2. MINUTES OF PRIOR MEETING: Dan announced that since the minutes of prior meetings have been posted in the Members' Lounge and sent out by e-mail they would not be read by the Secretary. He asked if there were any corrections or additions to the December Minutes. There being none, he declared the Minutes approved as posted.

3. TREASURER'S REPORT: Andrew Wilson reported that as of January 17, the balance in the treasury was \$1,663.75. Andrew explained what the expenses and income were up to January 17th. The report was accepted as given

4. a. PRO SHOP REPORT: Mike Hoffstatter thanked CCGA and everyone for their thoughts and prayers in the sudden passing of his father.

4.b. Mike announced that on February 4 the "Beat The Boss Tournament" will take place at 1:00 pm. Sign up is in the Pro Shop. Mike also announced that there will be a CSRA ladies' tournament held Monday, January 23.

4.c. Mike reported that tree removal will continue in areas for turf and sunlight improvement. He explained the process of tree removal. Mike indicated that the greens were being cut, top dressing the greens is being done on the outside of the greens (mostly where people walk) and explained the "clean-up" laps around the greens. Fairways are being mowed as needed. Several holes have not been reseeded. Nine holes will be closed at a time in a few weeks when sprayed for weed control. Drainage problems are being addressed.

4.d. In response to concerned members requesting explanations regarding the tree removal taking place on the course, Art Kennedy, representing the ownership, further explained the necessity of the removal in order to improve course playability. Both Art and Mike referred to an article written in the Carolinas Golf Association Magazine on how tree removal is important to golf course restoration. Art explained the maintenance

plans taking place on each hole involved and stump removal. Art stated that the trees taken down have not been sold. He also stated that the money made on the course during the last two years has been put back into the course and a percentage of the fees that Cedar Creek Development receives from the builders are also put into the course.

4.e. Art answered questions from the audience. Dan thanked Art for enhancing communications between the members and the owners.

5. SAFETY COMMITTEE: John Turner stated that the On Course Medical Emergency Committee, put in place by the 2005 Board, has presented a written report. This report was presented to Hank Thurmond last week. After Hank has had a chance to review the report the Committee will then present its findings and recommendations to the members.

6. MEMBERSHIP COMMITTEE: Dan announced that a new member packet is available in the Pro Shop with a welcome letter, etc.

7. TOURNAMENT COMMITTEE: Greg Pasco reported that 67 players participated in the January 14th 4 Club Tournament. This is a 6.5% increase over 2005. The next tournament will be held February 18 at 10:30 and will be "Best Ball, Alternate Shot". Greg announced that the sign up sheet is in the Pro Shop and the tournaments may be prepaid in order to speed up check in. In response to a motion made in April, 2005, breakfast will be served between 8 and 10 am instead of lunch for this tournament.

2. Tournament Survey: Greg Pasco handed out copies of the survey results and comments. He thanked Bill Robinson and Phil Stack for undertaking this project. The survey results have been discussed with the club management. Greg discussed many of the comments on the survey and the Committee is putting some ideas in place (e.g. the April Tournament will be held at 1:00 pm, will also be flighted, include gross and net prizes and possibly a dinner with spouses or guests after the tournament.) The Committee expects to survey members later in the year. Greg suggested deferring additional comments and questions until next month when the members have had a chance to read and digest the survey.

CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING

February 21, 2006

President Dan Mulvey called the meeting to order at 6:32 pm and welcomed everyone. Dan recognized new member, Bob Kistler and reminded those present that there is a sign in sheet and a sheet to indicate e-mail addresses and changes.

1. PRESIDENT'S REMARKS: Dan began the meeting by sharing an amusing golf story . He reminded the members to be recognized by the Chair when wanting to speak, to stand up and identify themselves and not to interrupt other members when they have the floor. Dan asked that before putting forth a complex motion, it should be submitted in writing to the Board in advance of the meeting. This will help to keep the meeting running in a timely and organized manner. Dan announced that as a result of a motion passed at the January meeting, the Dogfight Rules have been updated. A copy is posted in the Members' Lounge. It was also noted that additional Dogfight computer operators are needed. Members were also reminded to putt out when playing for Dogfight points.

2. MINUTES OF PRIOR MEETING: Dan announced that since the minutes from the January meeting have been posted in the Members' Lounge and sent out via e-mail, they would not be read by the Secretary. There being no additions or corrections to the January Minutes, they were declared accepted as posted.

3. TREASURER'S REPORT: Andrew Wilson reported that as of February 21, 2006, the balance in the treasury was \$1,779.55. Andrew went on to explain the expenses and income up to February 21st. The report was accepted as given

4. TOURNAMENT COMMITTEE: Greg Pasco reported that 60 players participated in the February Tournament . It was noted that the breakfast was successful. A Par 3 Tournament will be held on March 18th at 9 am. There will be a men's group and women's group with closest to the pin on four holes.

5. MEMORIAL COMMITTEE: It was announced that the stone for the Memorial Garden has arrived and was installed and additional bricks and topsoil were added. A dedication ceremony is tentatively scheduled for April. It was asked that members provide any thoughts and/or suggestions to Committee Chairperson, Jerry Kothera.

6. SAFETY COMMITTEE: John Turner reported that Hank Thurmond has replied in a letter supporting the Committee's recommendations. However, the Committee will be addressing concerns expressed in the letter and will report next month after clarification. John also reported on the completion of a map that equates the golf course to street addresses which will enable emergency responders to have access to a golf course emergency via a street address. Copies of this map will be provided to local emergency response units and placed in the Golf Shop.

7. MEMBERSHIP COMMITTEE: Bob Armstrong has agreed to Chair this Committee. Bob is acting on the suggestion of volunteer "caddies" to help new members. Volunteers are needed and may sign up on the list at the desk in the Pro Shop.

8. PROGRAM & EVENTS COMMITTEE: Dan is currently acting as Chair and is in need of additional volunteers. At this time, match play and interclub play are first priorities for completion.

9. PRO SHOP REPORT: Mike Hoffstatter stated that bunker reconstruction is taking place on holes #6 and 7, trees and stumps are still being worked on and weed control has taken place over the past several weeks. The on-course restroom on #15 is not yet completed and the restroom for the front nine is awaiting EPA, etc. approval. New carts will arrive in early April and new spring items for the Golf Shop will be arriving in Mid March. Master's Week policies will be announced as we get closer to that time. Mike fielded several questions from members.

10. HANDICAP COMMITTEE: Paul Pecoraro stated that the Committee will be sending out a "first ever" annual letter soon regarding handicapping.

11. RON THE RULE MAN: Ron Phillips introduced George Montgomery who will be helping Ron with Rules. They will be looking at all the new USGA Rules changes and reporting on them periodically throughout the year. Ron acknowledged the new rule regarding using a distance finder on the golf course but added that there needs to be a local rule regarding its use. Ron will also look at the local rules that USGA states can be used at this club. It was also mentioned that artificially warming golf balls (i.e: using hand warmers) is illegal. However, the rule states a ball may be warmed BEFORE a round starts. The Unplayable Ball Rule was discussed.

12. OLD BUSINESS: Dan asked if there were any questions regarding the results of the CCGA Survey presented at the January meeting. Paul Pecoraro asked if the question on the meal purchase requirement indicated a problem. The answer was that no, the meal purchase requirement had not made a considerable difference in attendance. George Patterson asked if there was an option on receiving Golf Shop Credits, (e.g. range balls, cart fees, etc.) in addition to Golf Shop Certificates. The response was that the Board will look into options other than Golf Shop Certificates only.

13. NEW BUSINESS: There was no new business.

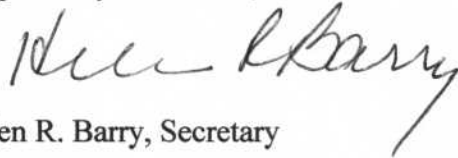

14. The next meeting will be Tuesday, March 21st at 6:30 pm.

15. Adjournment at 7:30 pm.

CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING

March 21, 2006

President Dan Mulvey called the meeting to order at 6:30 pm and welcomed everyone. There were no new members present. Dan announced that Mike Hoffstatter was hospitalized having had gall bladder surgery. CCGA has sent a get well card.

1. PRESIDENT'S REMARKS: Dan read a joke sent by e-mail from a member. He also read anecdotes of "Best Caddie Replies". Dan reminded the members to follow the Robert's Rules of Order, to stand up and identify themselves when wanting to speak and not to interrupt other members when they have the floor.

2. MINUTES OF PRIOR MEETING: Dan declared the February 21 Minutes accepted as posted as there were no additions or corrections.

3.a. TREASURER'S REPORT: Andrew Wilson reported that the current balance in the Treasury is \$2,172.18. Andrew stated that the Board, acting as the finance committee, decided that the following expenses could be committed for 2006: Donation of \$250 to Rally for a Cure and \$200 to Silver Bluff Golf Team. It was also decided that recognition would be given at the December meeting to those members who have "played through" this year.

3.b. Jack Bahen made a motion to donate \$250 to Rally for a Cure and \$200 to the Silver Bluff Golf Team. The motion was seconded and carried.

3.c. Dan mentioned that a new CRT was needed for the Dogfight Computer. Marty Katz stated that a new printer was also needed. A suggestion was made that the whole system be upgraded. No action was taken at this time.

4. MEMORIAL COMMITTEE: Jerry Kothera announced that the Memorial Stone is in place and on April 29th there will be a dedication at 10:30 a.m. prior to the April Tournament and lunch. A list of deceased members has been put together and surviving widows will be invited to the Memorial. Jerry noted that if past members had paid CCGA dues for one year they will be recognized. Dan indicated that the date and time of the Memorial will be announced in the *Sandbagger* and *Homeowners Newsletter*.

5. TOURNAMENT COMMITTEE: Greg Pasco reported that the March Par 3 tournament was a success with 64 players participating. The April 29th tournament will be the Spring Stroke Play Tournament and will be flighted and separated by tees. Lunch will be served from 11:00 A.m. to 12:45 P.M. Sign up is in the Pro Shop.

6. a. SAFETY COMMITTEE: John Turner explained the formation of the Committee and that the Committee had made suggestions to upgrade the radio system at the club house. They also looked into placing an AED in the clubhouse and at other positions around the course. The Committee has recommended that there should be an AED in place at the clubhouse as a start. Also, a map has been completed that equates the golf course to street addresses to enable emergency responders to have access to a golf course emergency via a street address. Copies of this map will be provided to local emergency response units and the Pro Shop.

The golf course owner, Hank Thurmond, has agreed to be responsible for the system, record keeping, maintenance and AED training. Fundraising needs to take place in order to raise money to eventually cover the golf course with AED's. John explained the Good Samaritan Act and answered questions from the audience. He stated that a subcommittee for fundraising would be put in place for a start. Dan announced that there would be a Jerry Sullivan Memorial tournament to kick off the raising of money for the AED's.

6.b. John Turner made a motion that CCGA donate \$250 toward the purchase of an AED (Automatic External Defibrillator) for the clubhouse. The motion was seconded and carried.

Dan thanked John and his Committee for their efforts to date.

7. HANDICAP COMMITTEE: Paul Pecoraro reported that a handicap letter has been written and will be distributed to the members in the next couple of weeks. Paul also presented a short golf quiz. The winner was Greg Pasco.

8. MEMBERSHIP COMMITTEE: Bob Armstrong announced that he is looking for more volunteers to help new members to familiarize themselves with Dogfight procedures, Friday night scramble, sign ups, etc. (Dan mentioned that the Friday night scramble is not a CCGA event but is a fun tournament and will begin mid April).

9.a. PROGRAM EVENTS: Dan reported that the Inter Club Play was waiting for information from the Houndslake Pro. The Committee is looking into a day trip golf outing to a local golf course with the possibility of using a bus for transportation. Bill Steinle will be distributing a survey by the next meeting regarding interest in having a member/guest tournament or member/member tournament in 2007. Dan also asked if anyone was interested in participating in the Carolinas Golf Association which is an interclub tournament. Seven or eight members were interested but Dan didn't know if it was too late to participate this year. If so, it will be pursued for next year.

9.b. John Turner stated that there will be a qualifying round on June 3 for anyone interested in participating in the CCGA Match Play 2006.

10. PRO SHOP REPORT: Mike DePasquale gave an update on Mike Hoffstatter's condition and gave out Mike's home address for members to send cards (108 Mill Run, North Augusta, SC 29860). Mike D. verified that June 3 was the date set for the Match Play qualifying round.

11. OLD BUSINESS: There was no old business.

12. NEW BUSINESS: Burt Wronsky remarked that some members had commented on wanting to be able to "roll the ball" on the fairways during a Dogfight. After some discussion it was suggested that the Handicap Committee together with the Golf Club make that determination at each tournament, or period of time, depending on the condition of the course.

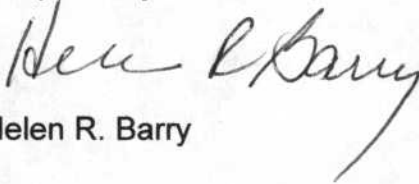

13. The next meeting will take place Tuesday, April 18, 2006 at 6:30 p.m.

14. Adjournment at 7:40 p.m.

CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING

April 18, 2006

President Dan Mulvey called the meeting to order at 6:33 pm and welcomed everyone. There were no new members present. Pat Sullivan offered a golf joke.

1. MINUTES OF PRIOR MEETING: Dan declared the March 21, 2006 Minutes accepted as posted as there were no additions or corrections.

2. TREASURER'S REPORT: Andrew Wilson reported that the current balance in the Treasury is \$1,946.97. Andrew explained the expenses and income up to April 18.

3. TOURNAMENT COMMITTEE: Greg Pasco announced that the April 29 Spring Stroke Play Tournament would be flighted according to tees. The tournament will be shotgunned at 1:00 p.m. Lunch will be served from 11:00 a.m. - 12:45 p.m. There will be a dedication of the Memorial by the 7th Green at 10:30 a.m.

4. SAFETY COMMITTEE: John Turner stated that volunteers were needed to assist in fund raising for AEDs. Pat Sullivan volunteered to be on the subcommittee. Greg Pasco announced that possibly the July CCGA Tournament date might be used for a fundraising tournament for the AEDs.

5. HANDICAP COMMITTEE: Paul Pecoraro reported that the committee was working with the club regarding playing conditions on the golf course, e.g. cart path only, lift, clean and place on holes not overseeded. Conditions would be posted everyday on the bulletin board outside of the proshop to begin in May.

6.a. PROGRAM EVENTS: John Turner announced that the rules and sign up sheet for the Match Play were posted on the Board in the Members' Room. The qualifying round will take place on June 3.

6.b. Dan stated that the first Interclub Play Tournament will take place at Houndslake on May 29. The initial matches will be men only, 18 players and 2 pros. Sign up sheet will be available in the pro shop. An Interclub Tournament is being looked into at Fort Gordon.

6.c. Sue Mulvey reported that a bus is available for a day trip group. The committee is checking out courses within a couple of hours of travel and will probably take place in the fall.

7. PRO SHOP REPORT: Mike Hoffstatter reported that the new practice green

construction has been started and explained the process. A small temporary green has been sodded on #4 Hole and construction of the new green on 4th hole will start soon. The new green will be 20-30 feet closer to the tees. On the right side of #3 green, the area is being "tidied" up. Eventually grass and possibly a bunker will be added. The grass on #15 fairway is greening up. Burt Wronsky asked if the drainage ditches on the side of #2 and #17 could be considered ground under repair. Mike answered that the Handicap Committee, Rules Committee and Pro Shop were looking at local rules to deal with these problems.

Mike also announced that the first Friday Night Scramble was a success but will be limited to 72 players. On April 28th Calloway will hold a Demo Day from 1-5. He also mentioned that he had met with the 18 Hole Ladies' Board regarding teeing times, shotgun, etc. and he is trying to come up with a solution that will be better for the ladies and mens groups.

Greg Pasco commented that the new mowing equipment was working very nicely. Mike agreed. He also mentioned that if anyone saw a problem developing on the course to call the pro shop to take care of the problem. Currently, someone is in the pro shop until 7:30. Mike answered questions from the audience and recommended those using carts "scatter" on the fairways to help prevent grass from wearing in certain areas.

11. OLD BUSINESS: There was no old business.

12. NEW BUSINESS: Dan presented an interesting "Masters Special" quiz.

13. The next meeting will take place Tuesday, May 16, 2006 at 6:30 p.m.

14. Adjournment at 7:36 p.m.

CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING

July 18, 2006

Dan Mulvey called the meeting to order at 6:30 PM and welcomed everyone. Dan reminded members to sign-in and add new e-mail addresses and/or changes. Dan shared a short police "network" anecdote involving a 5 iron.

1. MINUTES OF PRIOR MEETING: There being no additions or corrections to the June 20, 2006 minutes, Dan declared them accepted as posted.

2. TREASURER'S REPORT: Andrew Wilson reported that as of July 17, 2006, the balance in the treasury was \$3,465.40. Andrew detailed the expenses and income up to July 17th. Andrew noted that \$1,080.00 of the balance was money due to the Match Play Tournament.

3. TOURNAMENT COMMITTEE: Greg Pasco reported that 38 members participated in the July 15th Tournament. The next CCGA tournament will be held August 12, 2006 at 9 AM. The format will be Captains Choice, choosing your own team. The computer will handicap each group. Sign-up sheets are in the Pro Shop.

4. SAFETY/WELFARE COMMITTEE: Dan announced that a fund raising letter for the AED Fund has been sent out with the *Sandbagger*. A total of \$2,816.00 has been raised so far. The committee will be researching AED manufacturers. Implementation should be taking place in the next 90 days. Dan, on the committee's behalf, thanked everyone for their generous support.

5. PROGRAMS & EVENTS COMMITTEE:

a. Dan reported that the day trip to Arrowhead Point Golf Course was a fun event. Participants carpooled and enjoyed playing on one of Georgia's Top Ten courses at an excellent price. Another day trip may be in the works for the fall depending on interest.

b. Steve Santos reported that the Carolinas Inter-Club Match Play will be against Hidden Valley the weekend of July 22.

c. Dan reported that Cedar Creek will host a return match against Houndslake to be scheduled sometime in September.

d. Andrew announced that the CCGA Match Play Final will take place on Saturday, July 22, at 2 PM. Dinner and awards will be held beginning at 6:30 PM. The four finalists are Bob Kistler, Jim Mitchell, John Andrews and Bill Hunkele.

6. HANDICAP COMMITTEE: Paul Pecoraro reported that the local rules for Cedar Creek have been completed. Paul thanked Andrew Wilson for his help in putting together the finished project. The rules will be posted on the bulletin board and a short version will appear in the next *Sandbagger*. A request was made for an electronic copy of the new local rules. Dan will send one to all members with an e-mail address.

7. CONSTITUTION AND BY-LAWS: Dan reported that the Constitution and By-Laws were discussed at some length during the June 20, 2006 meeting and suggestions and revisions made at that time were taken into consideration. The Executive Board has reviewed the changes made by the committee. The new Constitution and By-Laws will be voted on at the August 15th meeting. Copies of both the documents are available and will be posted on the bulletin board.

8. RULES: George Montgomery discussed "Dangerous Situations" and unpleasant lies as applied under Rule 26 and Rule 28. He also discussed the penalty for hitting the wrong ball (Rule 15-3) in stroke and match play.

9. PRO SHOP REPORT: Mike Hoffstatter reported that the new practice green is open for putting ONLY. He also reported that the #4 green was waiting for more dirt to arrive so that new sod can be installed the beginning of August. It is possible the green will be ready for play the end of September. Other maintenance: RAIN IS NEEDED! The "cleanup laps" around the greens will be aerated and top dressed and spraying for crabgrass will be done this week. A new bulletin board, 10' x 4', will be mounted in the hallway across from the restrooms. The Club Championship Tournament is scheduled for September 9 and 10. Mike answered questions from the members.

10. UNFINISHED BUSINESS: There was no unfinished business.

11. NEW BUSINESS: Dan presented a mid-year report reviewing the goals and objectives set forth at the first meeting of 2006. Membership is projected to be 20% less than our original projection, meeting attendance has grown slightly, tournament participation is down approximately 16% to date (although, percentage wise, according to membership numbers, participation is actually up.) Following the report, a good discussion was held regarding tournament and meeting participation and the association's direction.

12. The next meeting will be August 15, 2006 at 6:30 PM

13. The meeting was adjourned at 7:45 PM

Abnormal Ground Conditions / Ground Under Repair

In addition to any area of the course specifically marked as such, the following conditions will be considered Abnormal Ground Conditions. A player whose ball lies in, or whose stance or swing area is interfered by, any of these conditions may take relief without penalty, within one club length of the nearest point of relief, not nearer the hole (Rule 25-1). Penalty for breach of local rule: Match play – Loss of hole; Stroke play – 2 strokes.

- Earth/grass covered drainage ditches (french drains), i.e. those with rocks or stones beneath the grass that could cause damage to a club, including the azalea plantings to the right of the 2nd green,
- Water diversion ditches (i) to the left of the 2nd fairway, (ii) to the left and in front of the 7th tee, and (iii) to the left of the 18th fairway,
- The Memorial Garden area to the right of the 7th green.

Rules for the day will be determined and posted by the Handicap Committee and the Club Manager dependent upon the weather and course conditions.

- On any hole(s) designated by the Club Manager as 'Cart Path Only', a ball on any closely mown area through the green may be lifted without penalty, cleaned and placed within one club-length of the spot where it lay, not nearer the hole. Penalty for breach of local rule: Match play – Loss of hole; Stroke play – 2 strokes.
- On any hole(s) designated by the Handicap Committee and the Club Manager as subject to 'Preferred Lies', a player may, in the player's own fairway, move the ball without penalty up to six inches, not nearer the hole, using a golf club. Touching by hand, lifting or cleaning the ball is not permitted. Penalty for breach of local rule: Match play – Loss of hole; Stroke play – 2 strokes.

Immovable Obstructions

Interference by an immovable obstruction (Rule 24-2) occurs when a ball lies in or on an obstruction, or when the obstruction interferes with a player's stance or the area of his intended swing. Intervention on the line of play is not, of itself, interference under this Rule. A player may take relief without penalty, within one club length of the nearest point of relief, not nearer the hole. Immovable obstructions include the following:

- Electrical junction/control boxes anywhere on the course,
- Protective raised ropes on the 2nd, 6th, 7th, 9th and 11th holes,
- Sprinkler heads and drainage gratings anywhere on the course.

Yellow cart ropes placed across some fairways are movable obstructions.

Provisional Ball

Specifically on the 3rd hole, if a ball is believed to be lost in the water hazard short of the green, to save time a provisional ball may be played, under penalty of one stroke, as nearly as possible at the spot from which the original ball was last played (Rule 27-2), without declaring the original ball lost. If the original ball is subsequently found, the player must either play the original ball as it lies, or continue with the provisional ball in play.

Distance-Measuring Devices

For all play at this course, a player may obtain distance information by using a device that measures distance only. However, if, during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his play (e.g., gradient, wind-speed, temperature, etc.), the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional functions are actually used.

Immovable Obstructions

One club-length relief not nearer the hole (Rule 24-1) from:

- Electrical junction/control boxes anywhere on the course,
- Protective raised ropes on holes 2, 6, 7, 9 and 11,

CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING

August 15, 2006

President Dan Mulvey called the meeting to order at 6:30 pm and welcomed everyone. Dan reminded the members to sign-in and complete the e-mail sheet for any additions or corrections. Pat Sullivan shared a conversation she had with a Pro named Shaun Mulligan!

1. MINUTES OF PRIOR MEETING: There being no additions or corrections to the July 18, 2006 Minutes, Dan declared them accepted as posted.

2. TREASURER'S REPORT: Andrew Wilson reported that as of August 15th 2006, the balance in the treasury was \$2,220.09. Andrew explained the expenses and income up to 8/15/06. He noted that there was a match play target to come out even with match play monies. There was, however, a profit of \$3.00! Dan revealed the Match Play Winners plaque with the 2005 and 2006 winner names. It will be permanently on display in the members' lounge. Pat Sullivan has pictures from last year and this year that will be put in the CCGA photo album.

3. WELFARE & SAFETY COMMITTEE: John Turner reported that \$3700 has been raised to date and is enough to purchase two AEDs. One will be located in the clubhouse and the other will travel the course in a Ranger's cart. The AED Plan needs to be signed off by the golf course owner and a physician must approve the plan for placement, maintenance, etc. and then write a prescription for the AEDs before they can be ordered., John estimated that it will probably take 8 AEDs to cover the entire course. He then took questions from the members and thanked everyone for their generosity.

4. TOURNAMENT COMMITTEE: Greg Pasco reported that due to the heavy rains this month's Captain's Choice Tournament has been postponed until August 26th. The sign up sheet is available in the Pro Shop for cancellations and additions of groups. There will be no tournaments in September or October due to the Club Championship and Residents Tournament. The next CCGA Tournament will be the November 11th "Bubba" Tournament that will be a shot-gun start at 10:30 am.

5. HANDICAP COMMITTEE: Dan reported that two issues of concern have come up concerning the local rules. Dan asked the Handicap Committee to look into these issues and report back at the September meeting.

6.a. PRO SHOP REPORT: Rocky reported that #4 green should be completed by late September. Aeration has been completed today. The "Rally for a Cure" Tournament will be held on October 7, 2006. Rocky thanked the CCGA for their sponsorship of a hole. Sign up sheets for the "Rally" and Club Championship are in the Pro Shop.

6.b. Ed Griffin reported that the flag out front has not been lit at night. Rocky will take this matter back to the management.

7. OLD BUSINESS:

1. **Constitution/By-Laws** - Dan stated that since the last meetings discussions, the sentence "Voting shall be by the members present at the December Meeting of the Association" has been added to the paragraph under Section 3, Article 2. Luanne Langmo made a motion to strike the sentence. The motion was seconded then defeated, 13 No to 6 Yes. Greg Pasco made a motion to approve the revised Constitution/By-Laws. The Motion was seconded and passed unanimously 21 Yes to 0 No.

2. The **Inter Club Match Play** has been a success. The results of the second match between Hidden Valley and Indian River will determine whether Cedar Creek will move on to the next level.

8. NEW BUSINESS: Dan asked the members for suggestions on what they would like to see started, continued, discontinued or expanded in 2007. Among several good suggestions, Chuck Scarton suggested making new property owners aware of the CCGA earlier in the home sale process. Pat Sullivan announced she is organizing a Pre-Thanksgiving 3-day golf package with a package available for non-golfers. See Pat for more information. Dan is planning to invite Hank Thurmond to speak about his vision for the golf course at the September meeting.

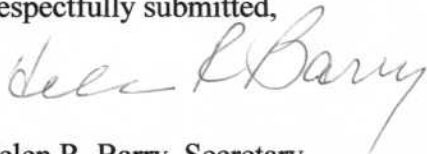

9. The next meeting will take place Tuesday, September 19, 2006 at 6:30 p.m.

10. Adjournment at 7:25 p.m.

CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING

October 10, 2006

President Dan Mulvey called the meeting to order at 6:30 pm and welcomed everyone present. Dan Presented David Letterman's "Why Golf is Better Than Sex". Dan reminded members to sign in and add new e-mail addresses and/or changes.

1. MINUTES OF PRIOR MEETING: Dan corrected the minutes of the September 19, 2006 meeting stating that Cindy Niland won the Ladies' Division of the Aiken Golf Club Championship not the Cedar Creek Championship. The correction is posted and in the official Minute Book. There were no other corrections or changes.

2. TREASURER'S REPORT: Andrew Wilson reported the balance in the treasury as \$2155.24. Andrew explained the expenses and revenues through October 10.

3. TOURNAMENT COMMITTEE: Greg Pasco reminded members that the November 11th Tournament will be the "Bubba" tournament with a 10:30 shotgun start. December 2 (re-scheduled from 12/9) will be a Captain's Choice Tournament also with a 10:30 am shotgun start. The Annual CCGA Meeting and Elections will follow directly after. Greg asked that any suggestions for next year's tournaments be forwarded to him by the end of November so dates can be established.

4. WELFARE & SAFETY COMMITTEE: Dan reported on John Turner's behalf that the AED plan has been approved and a vendor has been contacted. Upon acquisition of the AEDs, training will begin.

5.a. PROGRAMS & EVENTS: Dan reported for Steve Santos that Cedar Creek was defeated by a slim margin in the Carolinas Inter-Club Match Play. Everyone participating had a grand time and is anticipating the competition next year.

5.b. Dan announced that Houndslake men will be traveling to Cedar Creek to play in a return match on October 27. Houndslake Ladies could not field a team in time but may participate in the spring. Sandwiches will be served at 11:00 a.m., matches begin at Noon and a social hour will be provided after the match. Bill Steinle, Andrew Wilson and Jim Mitchell will help with the organization of the day.

5.c. Dan thanked members for their participation in the "Rally for a Cure" and the Friday Night Scramble Finale. A wonderful time was had by all.

6. a. UNFINISHED BUSINESS: As none of the Nominating Committee (John Andrews, Mimi Wittkamp and Jack Bahen) was present, Dan announced the Committee has proposed the following slate of officers for 2007 to be voted on at the Annual meeting

December 2nd.

President: Dan Mulvey
Vice President: Chuck Scarton
Treasurer: Andrew Wilson
Secretary: Sue Mulvey
Tournament Director: Greg Pasco

REMINDER: The By-Laws state that nominations may also be made from the floor provided the persons nominated have agreed to accept the nominations.

6.b. Dan opened discussions on the proposed raise in dues for 2007. Dan explained that 2006 has been fiscally conservative. This was the Board's first year to hold office, membership has dipped, significant investments in the golf course have not been undertaken, and any increases in the cost of tournaments were absorbed by the CCGA treasury. The Board anticipates that 2007 will be more fiscally aggressive by putting more back into tournaments (food, prizes), continuing to support worthy causes, maintaining the appearance of the Memorial Garden and holding a memorial service annually, continuing the AED program and supporting more inter club events. Andrew will post the proposed 2007 budget on the bulletin board in November.

7.a. NEW BUSINESS: Jim Mitchell made a motion to create a new category - Associate Member - within the CCGA. This would allow non members of the Golf Club at Cedar Creek to be a member of the CCGA. The motion was seconded.

After discussion, Sue Mulvey made a motion to table Jim's motion for further investigation to be considered by a committee. The motion was seconded and carried.

7.b. Jim Mitchell also recommended a rule be added to the Rules of the Dogfight which would require scorecards to be turned in in a timely manner such as turning scorecards in before heading on to the parking lot. After discussion, Greg Pasco suggested that an announcement be made at the beginning of the Dogfight reminding all to turn in the scorecards in a timely manner. If the problem persists, the CCGA will then look into creating an additional rule and setting forth consequences for violations.

8. Adjournment at 7:30 pm. Next Meeting: November 21, 2006.

They are tentatively scheduled to attend the January 2007 meeting to accept the CCGA check.

2c. Burt Wronsky made a motion to present both the 2006 and 2007 allocation of \$250 to the Silver Bluff H. S. Golf Team at the January 2007 meeting. The motion was seconded and unanimously carried.

3.b. Greg also shared 2006 statistics compiled from the 2007 tournaments with the members. A copy is attached. The 2007 tournament schedule will be published in the December *Sandbagger*.

4. WELFARE & SAFETY COMMITTEE: Dan reported on John Turner's behalf that the AEDs have been ordered and expected any day. After being delayed, John reported

that the cabinets, etc. have arrived. Training has not been yet started.

Hi Helen,

This is Nancy Sanborn. Remember me, Pat's aunt, visiting and being commandeered to help with the party. The party sounds great and I know you all will have a great time.

The following list are folks and their choices for dinner:

Howard Black - Prime Rib and one Chicken Monterey

Dick Lasure - 2 Prime Rib

Gene Riggiins - 2 Prime Rib and one Chicken Monterey

Jack Seech - one Chicken Monterey

That is all I have on my list.

Have a great time,
Nancy
