

CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING MINUTES

January 23, 2007

Dan Mulvey called the first meeting of 2007 to order and welcomed all those present. He reminded members to sign in and update e-mail addresses.

Six new members introduced themselves and were warmly welcomed.

Dan reminded all those present to be sure their 2007 dues are paid before voting on any motions that may arise this evening.

Dan then read an amusing story submitted by one of the members.

The 2007 Executive Board was introduced at this time and also warmly welcomed.

There were two Holes-In-One since the December meeting. Bill Steinle on # 8 during the Dogfight and Pat Sullivan also on #8 during the CCGA Par 3 Tournament

Dan announced that the Association had made a \$50.00 contribution to the American Cancer Society in memory of Tomiko Finley who recently 'played through.' A sympathy card was also sent to Tomikos' family. A sympathy card was also sent to John Turner due to a death in his family.

Dan recognized Helen Barry and Ed Griffith for their long standing service to the CCGA. Helen sent the CCGA a Thank you note and Ed put his 19th Hole pitcher and glasses to good use immediately.

1. MINUTES OF PRIOR MEETING: There being no corrections or additions to the December 2, 2006 minutes, Dan declared them accepted as posted.

2. 2007 GOALS 7 OBJECTIVES

Dan read through the 2007 Goals and objectives. A copy is attached with these minutes and is also posted on the bulletin board.

3. TREASURER'S REPORT

Andrew Wilson reported the balance in the treasury at \$2,970.81. Andrew explained the expenses and revenue through January 24, 2007. Andrews report was accepted as presented. A copy will be posted on the bulletin board.

4. TOURNAMENT COMMITTEE

Greg Pasco announced that 88 members participated in the January Par 3 Tournament. The next Tournament will be held on Feb 17, 2007 with a 10:30 AM shotgun start. This will be a two person scramble format. A breakfast buffet will be served from 8 to 10AM. No lunch will be served. Sign up is available in the pro shop.

5. SAFETY/WELFARE COMMITTEE

John Turner announced that the first AED has been deployed inside the clubhouse between the Pro shop and The Grille. Several golf club employees have been trained in CPR/AED and another class is planned for early February. At that time the second AED will be deployed. John also announced that the CCGA and the S/W committee will be having a ribbon cutting ceremony with wine and cheese honoring all those who contributed to the AED Fund. John also announced that the Committee will be sponsoring a fundraising tournament on May 4, 2007. Proceeds from this event will be used to purchase additional AED units in an effort to improve medical emergency readiness on the golf course.

6. PROGRAMS & EVENTS

Chairperson, Bill Steinle presented a tentative 2007 CCGA Special Events Calendar to the members. He and his committee have laid out the plans for a variety of different events throughout the course of the year. A copy is attached to these minutes and posted on the bulletin board. Some of those include events also include Club sponsored events on Memorial Day, Fourth

of July and Labor Day. The committee is also working to put together possible inter club match play with Woodside Plantation and Midland Valley among other area clubs.

7. LADIES REPORT

Pat Sullivan reported that the Ladies group had their first board meeting this morning. The ladies want to remind members who question why the Ladies 18 Hole Group is not within the CCGA, that they must be a member of a Ladies Association in order to participate in CSRA Sponsored Women's events. Pat also stated that the Ladies recognize and are looking into issues that have come up playing in front of the Thursday Dogfight. Dan mentioned that he has spoken to Ladies President Monica Randall about a possible "Battle of the Sexes" Tournament. The ladies are considering the possibility.

8. HANDICAP COMMITTEE

Chuck Scarton, chairperson, stated that he and his committee will be working to ensure a fair and level playing field for all members. A committee meeting is planned for the near future.

9. CLUB MANAGEMENT REPORT

Doug Fisher, GM/Dir. Golf, reported that he had been brought on board to make quality changes in the GCCC and to bring it up to a new level. Doug fielded numerous questions and comments from the members. Topics discussed included The Range Plan issue, increases in the membership fees, hiring of new GCCC employees, work on the course i.e. tree removal and bunker restoration, when will #4 green be ready for play, and upgrades to enhance merchandise and food and beverage. Doug stated that a tentative plan is being worked out and any changes regarding membership would be presented in writing to the GCCC members before any action is taken.

Doug also announced the Golf Club at Cedar Creek has obtained a 5 year contract with Par World Junior Golf. GCCC will be one of three courses in the nation to host young people from 32 countries for this junior tournament.

The tournament is to be broadcast on the Golf Channel. This year the Tournament is June 13 to June 16. The club will be looking for volunteers to host, chaperone, and perform a variety of other duties. See Doug at the Club for more information. Doug is also looking into reciprocal privileges with area courses during the four days the course will be tied up.

10. NEW BUSINESS

Dan announced the Marty Katz, creator and in-house expert on the Dogfight Computer programs, has recently finished working on a series of upgrades which will provide new options as it relates to participating in the Dogfight. The Dogfight can now be played in a variety of different formats. Dan will have Jim Mitchell and the Dogfight Committee get together with Marty and report back at the next meeting.

11. UNFINISHED BUSINESS

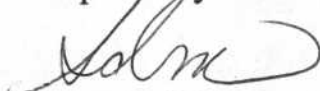

Because Jim Mitchell was not able to be present at this meeting, the November motion made to table the Membership/Associate Membership Fee issue brought up by Jim will be resolved at the February 2007 meeting.

12. MEETING ADJOURNED – 7:56 pm

Cedar Creek Golf Association

2007 GOALS

Expand the various types of quality CCGA Events to foster fellowship and the opportunity for CCGA members to improve their golf game

Increase participation in CCGA and Club sponsored events

Maintain pro-active Handicap and Rules Committees to ensure a fair and equitable handicap system and local rules for all members that participate in CCGA and Club sponsored golf events

Support worthy community golf related causes such as The Silver Bluff H.S. Golf Team and Rally for a Cure.

Recognize and celebrate our fellow golfers' achievements

Improve medical emergency readiness at the Golf Club at Cedar Creek

Cedar Creek Golf Association

2007 OBJECTIVES

Create and implement at least 3 to 5 new CCGA events for the membership during 2007

Increase CCGA Tournament participation by 5 % over 2006

Increase Association membership by 5% over 2006

Support at least 2 golf related community causes (i.e. Silver Bluff HS Golf Team and GCCC sponsored Rally for a Cure Tournament)

Acquire two additional AED units to be in place by June 30, 2007 through successful fundraising and assist in providing emergency training for a majority of CGCC staff and CCGA members

CONSTITUTION AND BYLAWS
CEDAR CREEK GOLF ASSOCIATION

CONSTITUTION

REVISED
8/15/2006

ARTICLE 1. NAME

The name of this organization shall be Cedar Creek Golf Association of Aiken, South Carolina.

ARTICLE 2. PURPOSE

This organization has been formed to promote fellowship **and welfare** among members of **the Golf Club at Cedar Creek**, and to foster a desire for advancement and improvement of their golf games.

ARTICLE 3. MEMBERSHIP

Membership in this association will be open to all golfers who are members in good standing with the **Golf Club at Cedar Creek**.

ARTICLE 4. OFFICERS

The officers of this association shall consist of a President, Vice-President, Secretary, Treasurer and Tournament Director.

ARTICLE 5. EXECUTIVE BOARD

The Executive Board shall be comprised of the elected officers of the association and the immediate past-president. This board shall transact and carry on the day-to day business of the association, making recommendations to the club members and setting dates for various golfing and social events. It shall keep the association an active organization through regular management of association affairs.

Voted on 8/15/06 & accepted.

ARTICLE 6. MEETINGS

The Association meetings are to be held monthly at the time set forth by the President and will be open to all members. The Annual Association Meeting is to be held in December. Executive Board meetings will be held at a time and place as set forth by the President.

ARTICLE 7. AMENDMENTS

The Constitution and/or Bylaws may be amended by a two-thirds vote of the membership present at the Annual Meeting or a called meeting where a quorum of the lesser of one-fourth or twenty five (25) of the members is present, and provided that a three week posted notice is given.

ARTICLE 8. RULES OF ORDER

Robert's Rules of order shall govern all proceedings of all meetings of the association.

ORIGINAL CONSTITUTION AND BYLAWS DATED 10/20/92- AMENDMENTS
NOTED IN BOLD TYPE

BYLAWS

ARTICLE 1. MEMBERS RIGHTS AND PRIVILEGES

Any member with dues paid up to date shall be considered in good standing and shall be entitled to vote at all meetings of the association and participate in all events upon compliance with all adopted regulations.

ARTICLE 2. ELECTION OF OFFICERS

Section 1. The election of officers shall be held annually at the December meeting of the association. New officers take over the first of January of the next year.

Section 2. The President shall appoint a nominating committee consisting of three members of the association to solicit nominations and prepare a ballot consisting of at least one candidate for each elected office sixty days prior to the Annual Meeting. Thirty days prior to the Annual Meeting the above slate will be published **and posted on the Association Bulletin Board**. Nominations may be made from the floor provided the persons nominated have agreed to accept the nomination.

Section 3. **Voting shall be by the members present at the December meeting of the Association.** Voting must be done by ballot **where there is more than one candidate for a position. Process may be changed to a "show of hands" where there is only one candidate for a position.**

Section 4. The term of office shall be for one year, beginning January 1 and ending December 31 of the calendar year following the election.

Section 5. In the event of a vacancy on the Executive Board, the President shall appoint, with the concurrence of the Board, **a member in good standing to fulfill the remainder of the term. The VicePresident shall serve out the term of the President in the event of the incapacitation, death, or resignation of the President prior to the end of the President's elected term.**

ARTICLE 3. DUTIES OF OFFICERS

Section 1. It shall be the duty of the President to preside at all meetings of the association and to appoint special committees. The President shall serve as an Ex- officio member of all committees and serve as liasion with **the Golf Club at Cedar Creek management.**

Section 2. The Vice President shall serve as President in the absence of the President.

Section 3. The Secretary shall keep a record of all meetings and take care of all correspondence. The records are to be turned over to the new Secretary at the beginning of a new year.

Section 4. The Treasurer shall receive and disburse all funds of the association subject to the approval of the association. **Expenditures up to \$200 can be approved by a minimum of two Board members. Expenditures over \$200 must be approved by the association at a scheduled monthly meeting of the association.** The Treasurer shall be required to present a written report of the financial status at each **monthly association** meeting and to present a written financial report in December showing all receipts and expenditures during the **Treasurer's** term in office.

Section 5. The Tournament Director shall be responsible for planning and conducting all **scheduled Cedar Creek Golf Association tournament competitions. The Director** shall prepare and coordinate a schedule of events that will be distributed to the members of the association.

ARTICLE 4. DUES

The amount of the yearly dues for each member of the association shall be reviewed by the Executive Board each year. The Executive Board shall recommend in November any changes considered necessary to the dues and any such changes must then be approved by a two-thirds vote of the members present at the December annual meeting. The changed dues will then become effective the following calendar year.

ARTICLE 5. TOURNAMENT RULES

Section 1. The association will play golf according to the USGA Rules and such local rules as are published for the course being played.

Section 2. Score cards must be signed, dated and attested and turned in to the scorekeeper after each tournament or members will not be eligible for prizes.

CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING MINUTES

February 20, 2007

Dan Mulvey called the meeting to order and welcomed all those present. He reminded members to sign in and update e-mail addresses.

A total of 47 members were present, 7 signed in.

One new member, Norman Bayshore, introduced himself.

Dan then shared an amusing message on a sign found at a golf course.

Dan noted that the lights out front below the flag have been repaired and all but the Hole-In-One plaques have been mounted in the members lounge. The club received new range balls and the sand traps are in the process of being reconditioned. All present applauded Doug and his team.

Dan took this time to once again thank the GCCC for providing the wine and cheese for the Recognition Wine & Cheese Reception held on February 7, 2006 and for their generous contributions to the AED fund. Dan also distributed Certificates of Appreciation to some of the members who were unable to attend the reception.

The CCGA received a thank you note from Tom Finley for our contribution to the American Cancer Society on behalf of Tomiko Finley. The association also sent out a condolence card to Heyward Barnwell due to the passing of his mother.

It was announced that the handicap and rules committees will be combined into one committee due to obvious synergies and cross participation.

Dan then introduced our special guests from Silver Bluff High School, Jason Going, Head Golf Coach and Jerry Rapp, team captain. After Coach Goings shared a few thoughts on this year's team, Dan presented them with a check for \$500 which is the CCGA's contribution to the 2006 & 2007 seasons. Both Coach Goings and Jerry were very appreciative of the contribution and assured the CCGA that the money would be well spent.

2. TREASURER'S REPORT

Andrew Wilson reported the balance in the treasury at \$2,911.85. Andrew explained the expenses and revenue through February 20, 2007. Andrews report was accepted as presented. A copy will be posted on the bulletin board.

3. TOURNAMENT COMMITTEE

Greg Pasco announced that 72 members participated in the February Tournament. The next Tournament will be held on March 17, 2007 with a 9AM shotgun start. This will be a Best Ball 3 Low Net, 4-person team (u-pick the team.) Sign up is available in the pro shop.

4. SAFETY/WELFARE COMMITTEE

John Turner announced that the Committee will be sponsoring a fundraising tournament on May 4, 2007. Proceeds from this event will be used to purchase additional AED units in an effort to improve medical emergency readiness on the golf course. The committee is currently in the process of soliciting hole sponsors and door prizes. If anyone would like to sponsor a hole in memory of a loved one who has "played through" please see John or any of the committee members. Dan stated that in order to make this fund raising event a success, the committee needs the help of all CCGA members. At this time Dan stated he would entertain a motion to have the CCGA sponsor the #1 hole for \$125. John Turner made the motion, Burt Wronsky seconded and the motion voted on and passed unanimously.

5. PROGRAMS & EVENTS

Chairperson, Bill Steinle reminded everyone that sign-up is available in the pro shop for the March 29, 2007 Masters Partner Tournament. The committee is still looking into possible Interclub play with Midland Valley and The Reserve Golf Clubs. Jim Mitchell stated that the Cedar Creek Intra-Club Match Play qualifying round has been scheduled for Saturday, March 31, 2007. Matches will play out into the beginning of June. There will be two white tee flights and black and red tee flights if we have enough members sign-up. Sign-up is available in the Pro Shop. If anyone is unable to make the qualifying rounds, please see Bill to arrange an alternate date to qualify. There will also be a consolation bracket. The cost is only \$30 which includes prizes, beverages and hors d'oeuvre. The deadline to sign up is 3/23/07.

6. LADIES REPORT

Pat Sullivan reported that the Ladies group was hosting a "Golf, Lies and Video Tape" on Wednesday, February 21, 2007. The ladies will once again be doing the Hook-A-Kid-On-Golf. The Friday Night Scramble is set to start on April 20, 2007. Pat also noted that one of the photo albums is missing from The Grille. If anyone borrowed it or knows of its whereabouts, please return it as it was one of the very special ones. Pat also noted that the CSRA Ladies book is much more organized than the CSRA men's.

7. HANDICAP/RULES COMMITTEE

Chuck Scarton, chairperson, briefly explained the role of the Handicap/Rules Committee and stated that an annual "Handicap Letter" will be sent out with the "Sandbagger" in March. The letter will reiterate the roles and responsibilities of the committee and the individual club members.

8. CLUB MANAGEMENT REPORT

Doug reported that work is continuing on the bunker conditioning. CCDC will be doing some landscaping on #2. The new carts for 2007 will have an additional sand bottle and the carts will be a different color. Doug was asked if driving a cart through the waste areas was acceptable. His answer was yes and this will also help to speed up play. The club is planning a Nike Demo Day on April 7 with Titleist coming soon. The club is still looking for volunteers to house kids for the Pars Junior Golf Tournament in June. To find out more on the organization, go to www.parsjuniorgolf.org. or stop by and talk to Doug in the pro shop. Doug is continuing to look into reciprocal play at area courses during the four days of the junior tournament.

The CCGA has added a new segment to the meeting called 'Pro Tip of the Month.' This month Doug demonstrated the correct way to chip and pitch at short distances.

9. UNFINISHED BUSINESS

Jim Mitchell provided the membership with additional information on the Membership/Associate Membership Fee/Administrative Fee issue brought up by Jim at the November meeting. A motion was tabled at that time. After a discussion, Jim then put forth the motion stating that 'in order to play in the Dogfight, a person must either be a dues paying member of the CCGA or pay a one-time annual \$10 administrative fee.' After additional discussion a vote was taken and the motion was defeated by majority.

10. NEW BUSINESS

George Montgomery of the Handicap/Rules Committee discussed the "Rule of the Month" which was how the rules apply to Fire Ants and Poison Oak & Ivy. George then handed out the monthly rule quiz. Next month George will be discussing the rules concerning live snakes vs. dead snakes. (Be sure not to hsssssss this one!)

12. MEETING ADJOURNED – approx. 8:15 pm

Rules of Golf: Info and quiz.
CCGA Meeting
February 20, 2007

FIRE ANT MOUNDS: An ant hill is considered to be a loose impediment and not that of a burrowing animal. Relief is not allowed but the player is entitled to remove an ant hill under Rule 23-1 and Decision 23/5. In the case of fire ants the USGA recommends a local rule giving relief from fire-ant mounds if the ball is so close to the mound that the player is in danger of being stung by fire-ants.

If a local rule has not been adopted and a ball is so close to a fire-ant mound that the player is in danger, the player is, in equity, entitled to relief. That is without penalty dropping a ball on the nearest spot not nearer the hole which is not dangerous. If in a hazard it must be dropped in the same hazard or if not in a similar nearby hazard but in either case not nearer the hole.

If it is not possible for the player to drop the ball in a hazard, he may drop it, under penalty of one stroke, outside the hazard. Decision 1-4/10.

POISON OAK:

If a player's ball comes to rest in or near an area of plants such as poison ivy/oak should the provisions of the decision regarding "dangerous Situations" apply?

No. The player must either play the ball as it lies or if applicable proceed under Rule 26 (Water Hazards) or Rule 28 (Ball Unplayable). Decision 1-4/10 contemplates a situation which is unrelated to conditions normally encountered on the course. Unpleasant lies are a common occurrence which players must accept: Decision 1-4/11.

QUIZ

- 1) If a player enters a hazard without a club and positions his feet for the purpose of determining how he wishes to play the shot, Has he taken his stance (and thus addressed the ball) so that, if the ball thereafter moves he is subject to penalty under Rule 18-2b?
 - a. True
 - b. False
- 2) If a player's ball in play has been lifted, it is again in play when dropped or placed?
 - a. True
 - b. False

CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING MINUTES

MARCH 20, 2007

Dan Mulvey called the meeting to order and welcomed all those present. He reminded members to sign in and update e-mail addresses.

Prior to the meeting, the CCGA held a "Special" driving contest at the driving range. Entrants paid two dollars to see how far they could drive a marshmallow. The longest drive was achieved by Mike Wittkamp and the second longest, by Bill Fink. Proceeds from the contest (\$46) went to the AED Fund.

Dan did not have an amusing story for the evening as he felt the driving contest was amusing enough. Pat Sullivan read an amusing poem entitled 'Ode to a Golf Ball.'

At this time Dan called attention to the photographs on the cabinet under the TV in the Grille. These photos depict some of the events and happenings of the CCGA. They will be changed from time to time as other events happen through out the year.

1. MINUTES OF PRIOR MEETING

There being no corrections or additions to the February 20, 2007 Minutes, Dan declared them accepted as posted.

2. TREASURER'S REPORT - Andrew Wilson

Andrew Wilson reported the balance in the treasury at \$3,272.45. Andrew explained the expenses and revenue through March 20, 2007. Andrews report was accepted as presented. A copy will be posted on the bulletin board.

3. TOURNAMENT COMMITTEE - Greg Pasco

Greg Pasco announced that 68 members participated in the March Tournament. The next Tournament will be held on April 14, 2007.

This will be the CCGA Spring Championship Tournament. A brief memorial service will be held at the memorial garden near the 7th green at 10 AM followed by lunch from 11 to 12:45 and a shotgun start at 1 PM. Sign up is available in the pro shop. Greg also presented the new CCGA Spring Championship Tournament Plaque that currently has the 2006 winners engraved on it. It will be on display in the members lounge.

4. HANDICAP/RULES COMMITTEE – Chuck Scarton/George Montgomery

George Montgomery addressed our Local Rules and provided a hand out. George stated that the local rules summary will be posted on the new carts when they arrive. George fielded several questions regarding the local rules and Doug also provided answers to many of the questions. George also stated that these rules supersede any other local rules. Chuck Scarton announced that the local rules are effective immediately. Chuck also reminded members that all scores must be posted unless declared a practice round. The Club will be posting the scores of the Match play rounds on 3/29 and 3/31.

5. WELFARE & SAFETY – John Turner

John Turner again announced that the Committee will be sponsoring the Jerry Sullivan Memorial Tournament on May 4, 2007. Proceeds from this event will be used to purchase additional AED units. The committee is currently in the process of soliciting hole sponsors and door prizes. The team applications are available in the Pro Shop and should be returned with a check to Andrew Wilson. Dan stated that in order to make this fund raising event a success, the committee needs the help of all CCGA members. Volunteers are needed for various areas during and after the tournament. See Sue Mulvey if you are interested in volunteering. John spoke briefly on the status of the CPR/AED training of GC@CC employees. The final training date has been set for the end of April. Once a number of AED are in place on the Golf Course, the CCGA may be offering training classes to association members. Details will be coming soon. John also reminded members that it is important to carry a cell phone when playing on the course. The phone should, of course, be turned off and used only in case of an emergency. John suggests pre-programming the Pro Shop number.

6. PROGRAMS & EVENTS – Bill Steinle

Bill Steinle announced the opportunity for two bus trips this year. The first would be 4/20 at the Savannah Harbor Liberty Mutual Legends of Golf Tournament. The cost would be \$50/person which includes round trip bus fare, a box lunch, and a day pass. The deadline to sign-up is April 2nd. The second trip is scheduled for May 25th to the Senior PGA Champion at the Ocean Course on Kiawah Island. The cost would be \$60/person and includes round trip bus fare, a box lunch and day pass. Information on both these trips is available in the Pro Shop or you can contact Bill. Bill stated that the minimum sign-up for both these trips is 47 people. Bill has finalized the arrangements for the Woodside Plantation vs. Cedar Creek Home & Home Tournament. The dates are July 11th and Aug. 8th. They are looking to field 20 to 24 players. This is open to only men at this time. Sign ups are expected to be available by the end of May. If more participants sign-up than can play, a qualifier may be necessary. Bill also announced that the committee is looking into possibly having a team from the Palmetto Golf Club play in a Ryder Cup Format.

Jim Mitchell reported that the Cedar Creek Intra-Club Match Play qualifying round has been scheduled for Thursday, March 29th and Saturday, March 31. The cost is \$30.00 which includes prizes, beverages and hors d'oeuvres. The deadline to sign up is 3/23/07. Scores will be posted by the Club. This year the committee has added consolation brackets. Matches will play out into the beginning of June. There will be two white tee flights and black and red tee flights if we have enough members sign-up. Sign-up is available in the Pro Shop. If anyone is unable to make the qualifying rounds, please see Bill to arrange an alternate date to qualify.

7. LADIES REPORT – Pat Sullivan

Pat asked that the gentlemen playing behind the ladies in the Tuesday Dogfight please exercise patience. The ladies, in some instances, must play the ball out in their tournaments.

Pat also noted that one of the photo albums is still missing from The Grille. If anyone borrowed it or knows of its whereabouts, please return it as it was one of the very special ones. Pat thanked the Club and staff for the fabulous job done on the Ladies CSRA Round Robin Tourney on Monday, March 19th. One hundred and five ladies participated in the tournament.

8. CLUB MANAGEMENT REPORT – Doug Fisher

Doug reported that work is continuing on the course. Staff is pushing hard to make significant improvements at bunkers and drain areas. Doug also reported that the club has received numerous complaints and are reminding gentlemen to use the restrooms, not the trees. Doug would appreciate a call to the Pro shop if anyone observes behavior not appropriate for a golf club.

The CCGA has added a new segment to the meeting called 'Pro Tip of the Month.' This month Doug demonstrated the correct way to drive a marshmallow.

9. UNFINISHED BUSINESS

There was no unfinished business.

10. NEW BUSINESS

Dan announced on behalf of the owners of the Club, that the Habitat for Humanity Masters' Reception is being held here at the club on April 2nd from 5:30 to 7:30 PM. They are looking for volunteers to assist at this event. If anyone is interested, please see Dan. He also announced that the entire membership of the CCGA was invited to attend this event. Information regarding the reception is posted on the bulleting board.

12. MEETING ADJOURNED – 8:20 PM

The Golf Club at Cedar Creek

Local Rules

Out of Bounds

The boundary of the course is defined by square white posts. In the absence of these posts, the boundary is defined by residential property markers (round white posts): all residential properties, whether developed/occupied or not, are out of bounds.

Abnormal Ground Conditions / Ground Under Repair

In addition to any area of the course specifically marked as Ground Under Repair, the following conditions will be considered Abnormal Ground Conditions. Through the green, a player whose ball lies in, or whose stance or intended swing area is interfered by, any of these conditions may take relief without penalty, within one club length of the nearest point of relief, not nearer the hole (Rule 25-1). Penalty for breach of local rule: Match play – Loss of hole; Stroke play – 2 strokes.

- o Earth/grass covered drainage ditches (french drains), i.e. those with rocks or stones in or beneath the grass that could cause damage to a club,
- o Artificial water diversion ditches marked by white painted lines,
- o The Memorial Garden area to the right of the 7th green.

Rules for the day will be determined and posted by the Director of Golf dependent upon the weather and course conditions.

- o On any hole(s) designated by the Director of Golf as 'Cart Path Only', a ball on any closely mown area through the green may be lifted without penalty, cleaned and placed within one club-length of the spot where it lay, not nearer the hole. Penalty for breach of local rule: Match play – Loss of hole; Stroke play – 2 strokes.

Immovable Obstructions

Interference by an immovable obstruction (Rule 24-2) occurs when a ball lies in or on an obstruction, or when the obstruction interferes with a player's stance or the area of his intended swing. Intervention on the line of play is not, of itself, interference under this Rule. A player may take relief without penalty, within one club length of the nearest point of relief, not nearer the hole. Immovable obstructions include, but are not necessarily limited to, the following:

- o Electrical junction/control boxes anywhere on the course,
- o Protective raised ropes (green and white ropes on green posts) anywhere on the course,
- o Water dispensers and trash receptacles,
- o Sprinkler heads and drainage gratings anywhere on the course.

Yellow cart ropes placed across some fairways, and white 150-yard marker posts, are movable obstructions.

Distance-Measuring Devices

For all play at this course, a player may obtain distance information by using a device that measures distance only. However, if, during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his play (e.g., gradient, wind-speed, temperature, etc.), the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional functions are actually used.

CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING MINUTES

APRIL 17, 2007

Dan Mulvey called the meeting to order and welcomed all those present. He reminded members to sign in and update e-mail addresses. Thirty four members were present. Dan then shared an amusing golf joke.

There have been no holes-in-one or other stupendous feats on the course to date.

1. MINUTES OF PRIOR MEETING

There being no corrections or additions to the March 20, 2007 Minutes, Dan declared them accepted as posted.

2. TREASURER'S REPORT - Andrew Wilson

Andrew Wilson reported the balance in the treasury at \$4,363.66 of which \$1,230 is due to Match Play funds. Andrew explained the expenses and revenue through April 17, 2007. Andrews report was accepted as presented. A copy will be posted on the bulletin board.

3. TOURNAMENT COMMITTEE – Greg Pasco

Greg Pasco announced that 41 members participated in the April Spring Championship Tournament. The next Tournament will be held on May 19, 2007. It will be a computer generated Captains Choice with a shot gun start at 8 AM followed by lunch. Sign up is available in the pro shop.

4. HANDICAP/RULES COMMITTEE – George Montgomery

George Montgomery reported for Chuck Scarton regarding the "Out of Bounds Issue." The committee has relocated approximately 100 markers and has recognized the need for additional markers. George reported that Doug Fisher is working up the cost of additional stakes which may be split between the CCCG, CCDC and CCGA. Burt Wronsky remarked that he

strongly objected to the CCGA paying any portion of the cost of the additional markers. Calvin Bennett requested a response from the Board regarding Burt's remarks. Dan deferred the issue to new business.

5. WELFARE & SAFETY – John Turner

John Turner again announced that the Committee will be sponsoring the Jerry Sullivan Memorial Tournament on May 4, 2007. John reminded all members present that they can sign up as an individual, pair, or team. The committee has reached and exceeded its financial goals. It will be doing one final push to procure additional door prizes. Dan stated that in order to make this fund raising event a success, the committee needs the help of all CCGA members. Volunteers are needed for various areas during and after the tournament. See Sue Mulvey if you are interested in volunteering. John reported that flyers were being distributed to all mailboxes in Cedar Creek. The issue regarding the locks for the AEDs and accessibility will be considered by the Safety Committee prior to deployment of the units.

6. PROGRAMS & EVENTS – Bill Steinle

Jim Mitchell explained the winners/consolation brackets of the Match Play tournament. He reported that the Black Tee division was on schedule but the Red and White tee divisions needed to step up pace. The finals will be held June 2, 2007 followed by a reception.

Bill reported that the final date to participate in the Bus trip to Kiawah Island is May 1, 2007. A CCGA member's only event (Creekers vs. Croakers) will be held on a date to be determined in June.

Bill Ely reported that the Carolinas Interclub Match Play has 73 teams with only 2 in our region. Team sign up has been extended to April 28, 2007 while clubs in other areas are being asked if they would compete in our region.

7. MEMBERSHIP COMMITTEE – Mike Lupfer

reported that he is working on ways to attract more members. He is currently working on a letter that will be distributed by the CCDC to all new property and home buyers.

8. LADIES REPORT – Pat Sullivan

Pat reported that the Ladies Group would be hosting the May 8, 2007 State Tournament. Cedar Creek has the honor of being one of three locations chosen for this event. The Ladies will be providing breakfast goodies for the State Tourney and the Jerry Sullivan Memorial Tournament so additional volunteers are needed.

Pat also reminded everyone that the Friday Night Couples Scramble will begin on April 20 with a shot gun start at 5 PM. Sign-ups are on the bulleting board.

9. CLUB MANAGEMENT REPORT – Doug Fisher

Doug thanked all CCGA members who helped out during *Masters Week*. He reported that work is continuing on the course. The white tee box on # 3 and the Red & Black tee box on # 2 are being repaired. The 150 yard marker in the fairway on #4 and the stripe on the cart path are correct. The green on # 4 is now open to regular play, players must putt out. The alligator is no longer in residence in the pond on # 3. He has been caught and relocated to the SRS. The club will be enforcing a strict "No Jeans" policy on the course and driving range. The club has a new Food and Beverage Director, Ms. Karen Mohammad. And Doug would like to remind members that there are a lot of Friday and Saturday tournaments coming up so look and plan ahead for your tee-times.

Doug also announced that the club is having a Calloway, Nike and Titlest Demo Day, May 7, 2007 from 10 to 2 PM.

10. UNFINISHED BUSINESS

There was no unfinished business.

11. NEW BUSINESS

With regard to CCGA participation in the cost of additional out of bounds markers; Burt Wronsky made a motion that prior to any expenditure by the CCGA, the issue will be brought before the Association.

After a brief discussion Dan called for the vote. The motion was passed unanimously.

Dan brought up an item from the Executive Board regarding the CCGA Fiscal Year. The Executive Board feels that a fiscal year change to October 1st thru September 30th instead of the calendar year would enable collection of Association dues to coincide the annual club dues. The Association dues can be collected automatically and continue for new members throughout the year. This change would also coincide with the election of the Executive Board. Dan asked that members give serious consideration to this change as the Association must vote to change the Constitution in order to bring it about. This issue will be on the May CCGA Meeting agenda.

RULES DISCUSSION – George Montgomery

George handed out and reviewed the rules regarding Match vs. Stroke Play

ANNUAL MASTERS QUIZ - Andrew Wilson won a *Masters* hat clip for his knowledge of *Masters* History.

13. MEETING ADJOURNED – 8:20 PM

MATCH PLAY:

Rule 2-4: Concession of Next Stroke, Hole or Match:

Rule 2-5: Doubt as to procedure: Disputes or Claims:

In Match Play if a dispute arises between the players a player may make a claim. The claim must be made before teeing off on the next hole or if on the last hole before leaving the putting green. "My recommendation is that if a resolution can't be agreed to by the players then a call should be made to the pro shop from the course to try and locate Doug Fisher for resolution." However Rule 34-1 does allow the match to continue if a claim is lodged but a decision should be made by the committee as soon as possible so that the state of the match may, if necessary be adjusted.

(In stroke play the player can play two balls but must declare which he wants to be counted.)

If the players agree to halve the hole, for example, and do so without agreeing to waive a rule then the hole is considered to be halved.

Players can agree to halve a hole if both have made at least one stroke in the playing of the hole but the hole is not complete. Example, both players have lost balls on their second stroke.

Rule 7 Practice:

Unless prohibited by the committee a player may practice on the competition course before a match play round.

7-2 DURING THE ROUND:

A player must not make a practice stroke during the play of a hole.

Between the play of two holes, a player must not make a practice stroke except that he may practice putting or chipping on or near: 1) the putting green of the hole last played, 2) any practice putting green, or 3) the teeing ground of the next hole to be played in the round, provided a practice stroke is not made from a hazard and DOES NOT UNDULY DELAY PLAY.

Let's assume the hole is conceded on the teeing ground. Strokes made in continuing the play of a hole, the result of which has been decided, are not practice strokes and are allowed without penalty.

Rule 9 – Information as to strokes taken:

9-2: An opponent is entitled to ascertain from the player, during the play of the hole, the number of strokes taken and after play of the hole, the number of strokes taken on the hole just completed. IFA PLAYER GIVES WRONG INFORMATION, HE LOSES THE HOLE. A player has given wrong information even if it is due to the failure to include a penalty that he did not know he had incurred. IT IS THE PLAYERS RESPONSIBILITY TO KNOW THE RULES.

Rule 22 Ball assisting or Interfering with Play

Except when a ball is in motion, if a player considers that the ball of another player might interfere with his play, he may have it lifted. In stroke play, a player required to lift his ball may play first rather than lift the ball.

Rule 4. Clubs

Penalty for breach of Rule 4-4 Maximum of 14 clubs

- a. Match Play – at the conclusion of the hole at which the breach is discovered, the state of the match is adjusted by deducting one hole for each hole at which a breach occurred. Maximum Deduction per round: Two Holes.
- b. Stroke Play – Two strokes for each hole at which any breach occurred: Maximum penalty per Round: Four Strokes.

Disqualification is the penalty for carrying but not using a non- conforming club-
Decision 4-1/1.

**Cedar Creek Golf Association
Correction
Monthly Meeting Minutes
May 15, 2007**

Page 3, Paragraph 6, First Sentence – “Dean Wood asked Dan to read a letter he composed regarding his thoughts and concerns with regard to the direction and attitude the management at the Golf Club of Cedar Creek has been taking of late.”

Please delete “and attitude” from this sentence.

CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING MINUTES

May 15, 2007

Dan Mulvey called the meeting to order and welcomed all those present. He reminded members to sign in and update e-mail addresses. Twenty nine members were present for the outdoor meeting. Dan then shared an amusing alligator related Golf story.

1. MINUTES OF PRIOR MEETING

There being no corrections or additions to the April 17, 2007 Minutes, Dan declared them accepted as posted.

2. TREASURER'S REPORT - Andrew Wilson

Andrew Wilson reported the balance in the treasury at \$4,011.75 of which a portion is due to Match Play funds. Andrew explained the expenses and revenue through May 15, 2007. Andrews report was accepted as presented. A copy will be posted on the bulletin board.

3. TOURNAMENT COMMITTEE – Greg Pasco

Greg Pasco announced that the next Tournament will be held on May 19, 2007. It will be a computer generated Captains Choice with a shot gun start at 8 AM followed by lunch. Sign up is available in the pro shop.

4. HANDICAP/RULES COMMITTEE – George Montgomery

George Montgomery was unable to present his demonstration on rules for ground under repair due to lack of available space.

Ron Phillips brought up a question regard the posting of scores by groups who "roll the ball" in events not sponsored by the CGGA and still post a score for that round. Chuck Scarton reminded those present that by doing

so, they are not in accordance with the rules of the USGA which states that unless otherwise specified by a local ruling, the ball must be played down. When asked if an audit had been done, Chuck replied that two audits had taken place this year and individuals have been spoken to regarding infractions.

5. WELFARE & SAFETY – John Turner

John Turner announced that the Jerry Sullivan Memorial Tournament held on May 4, 2007 was an unprecedented success. John reported that the committee had exceeded its goal of being able to procure two additional AED units for the course. The committee has the funds to purchase all the AED units that were set forth in the Safety Committees' plan. John thanked everyone who helped make this project such a success.

John stated that the committee will be meeting to begin the process of purchasing, mapping out placement, deploying and securing the units.

6. PROGRAMS & EVENTS – Bill Steinle

Dan reported for Bill Steinle. The Match Play tourney continues. Those participating were reminded that the reception is scheduled for June 2, 2007 from 4 to 6:30 PM. Participants are invited to bring a guest to the reception. The cost is \$12.50 per person and guests must be signed up by May 29, 2007.

The Woodside Home/Home tournaments are scheduled for July and August. The sign-ups are available in the Proshop.

Steve Santos reported that the Carolinas Inter Club Match Play is set to begin on May 20, 2007. The new Cedar Creek team shirts are in and are being distributed.

7. UNFINISHED BUSINESS

There was no unfinished business this month

8. NEW BUSINESS

Dan brought up the item from the Executive Board posed at the April meeting regarding the CCGA Fiscal Year. The Executive Board feels that a fiscal year change to October 1st thru September 30th instead of the calendar

year would enable collection of Association dues to coincide the annual club dues. The Association dues can be collected automatically and continue for new members throughout the year. This change would also coincide with the election of the Executive Board. Because this matter would require a change to the Association's constitution, Dan asked those present to express their interest in pursuing this matter by raising their hands. The majority of the group expressed interest in pursuing this matter. Dan stated that the Board will pursue this matter and prepare the necessary documentation to present to the Association.

Mimi Wittkamp thanked all those who contributed to the 'Julie Gant Fund.' Julie was extremely grateful and moved by the caring and generosity of all those who wished her well.

Mimi also reported that the Ladies 18 Hole Group will once again be participating in the Aiken Hook-A-Kid-On-Golf. Seven or eight volunteers (both men and women) are needed for June 18, 19, 20, 21 and 22 from 8:30 AM to 11:30 AM. The kids are also in need of old golf balls, tees and ball markers for their mini round on the Friday.

Pat Sullivan requested clarification on the CCGA and its roll in the Hole-in-One situation.

If the player is a member of the Club and the CCGA, has contributed fifty cents to "the pot," that day and the event was witnessed by two other members of that players group, the player is entitled to a Hole-in-One trophy and the cash currently in "the pot. If "the pot" is less than \$100, the CCGA will pay the difference up to \$100.

Dean Wood asked what the status of the Pars Junior Golf Tournament was and if we had secured reciprocal privileges at other clubs. State reported that his understanding from Doug Fisher was that only 15 players had signed up and that the event might be cancelled. Bob Ruddy added that he had spoken to Doug more recently and the tournament here at Cedar Creek was in fact cancelled.

Dean Wood asked Dan to read a letter he composed regarding his thoughts and concerns with regard to the direction and attitude the management at the Golf Club at Cedar Creek has been taking of late. (This letter is attached to the minutes posted on the bulleting board.) This letter brought about much discussion on what the Association can do to bridge the gap that continues to

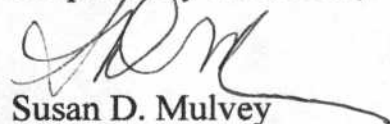

widen between members and management. As a start, Dan suggested that thoughts and concerns could be directed to the CCGA Board in writing or via e-mail. The Board would then compile this information and present it to Club Management along with an invitation to meet with the Association. Again, after much discussion, it was agreed that this would be acceptable.

05/11/07	1254	Ed Griffin: Hole-in-One Trophy & engraving	24.32		4,011.75

At every club I've known a course that has members is first for the members the idea being that members and member events support and profit a club. I wonder if we are losing sight of that premise at Cedar Creek.

In some instances the starting times for Cedar Creek regular member events -- Catfight, Dogfight, Wednesday Men, etc. -- have been adjusted to accommodate tournaments or outings as, for example, the starting time for the May CCGA tournament was moved to 8 a.m. in order for the club to host an afternoon event. In what seems to be an increasing number of instances non-member tournaments, events and outings pre-empt regularly scheduled member events altogether.

Some alterations to member activities may be acceptable such as moving forward the starting time of a member activity by an hour as was done for the May CCGA tournament to allow for an afternoon event. For Thursday, May 24th, the Catfight/Dogfight was rescheduled to 2 p.m. to accommodate a morning tournament. In my opinion, that is backwards. What is now the morning non-member event on that day should have been scheduled at 2 p.m. I suspect there will be few who participate in the Catfight/Dogfight that day.

Taking member activities off the calendar altogether with any frequency is unacceptable. Non-member activities should be scheduled with the least disruption to regularly scheduled member activities.

The youth tournament scheduled for June takes member activities off the calendar for an entire week. We were told that we would have reciprocal playing privileges at another area club. We have heard nothing further.

VR,

Dean Wood

CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING MINUTES

June 19, 2007

Dan Mulvey called the meeting to order and welcomed all those present. He reminded members to sign in and update e-mail addresses. Thirty one members were present. Dan shared an amusing Husband and wife Golf story.

Dan spoke for Mimi Wittkamp, who was unable to attend, regarding the Hook a Kid on Golf program held this week here at the Club. Mimi wished to thank everyone who helped to make this a very successful program this year. The kids were having a wonderful experience. Mimi also asked if anyone was interested in helping out on Thursday, 6/21 from 8 am to 11:30 am.

1. MINUTES OF PRIOR MEETING

There was one correction to the minutes of the May 15, 2007 meeting. A copy of the correct was posted on the bulletin board, in the Minutes Ledger and sent to all members who have e-mail addresses on file on May 31, 2007. A copy of the correction will be attached to the June Minutes posted on the bulletin board. There were no other corrections to the May 15, 2007 minutes and they were declared approved.

2. TREASURER'S REPORT - Andrew Wilson

Andrew Wilson reported the balance in the treasury at \$4,035.19 of which \$1000.00 of the Hole-in-One monies is being held by the association. Andrew explained the expenses and revenue through June 19, 2007. Andrews report was accepted as presented. A copy will be posted on the bulletin board.

3. TOURNAMENT COMMITTEE – Greg Pasco

Greg was out of town so Dan reported that 46 players participated in the June "Shambles" Tourney. The next tournament will be a Par 3 event to be held on July 14, 2007 with a 9 am shotgun start. Other dates will be

investigated due to the scheduled aerification program on July 9. Due to the special needs of a Par 3 Tournament this date may be determined to be the best available date. Sign up is available in the Pro Shop. Dan also stated that year- to-date CCGA Tournament prize monies given out are approximately \$5000.

4. HANDICAP/RULES COMMITTEE – Chuck Scarton/George Montgomery

Chuck Scarton reported for the Handicap Committee. After participating in the meeting with the Executive Board and the Thurmonds, Chuck was able to report that the issues regarding *Ground Under Repair* and *Out of Bounds* areas will be addressed by October 1st. The South Carolina Golf Association has re-measured the course and the black tee box issues with regards to measurements are off on five holes. A copy of the report from the SCGA is available in the Pro Shop or from Chuck.

George Montgomery provided an interesting demonstration and discussion regarding the rules for *Ground Under Repair*. A brief synopsis of the rules and options are attached to the minutes posted on the bulletin board.

5. WELFARE & SAFETY – John Turner

John reported that an AED Deployment Committee has been formed. The Committee has put together a plan to include the containment, security and placement of the AEDs. The plan is before the Executive Board and will then be presented to the Club ownership. Once the plan is approved by all parties, the purchase of the AEDs and storage units will take place. John estimates that implementation should take four weeks from the time of approval.

Members were reminded that the club does have an AED in the Ambassadors (Ranger) Cart. If members fail to see the unit in the cart, it should be reported to the Pro Shop. CPR/AED training of the Golf Course staff is continuing as schedules permit.

6. PROGRAMS & EVENTS – Bill Steinle/Jim Mitchell

Jim reported that 42 players participated in the Intra Club Match Play Tournament. Mike Wittkamp was the over-all winner, with Abbey Pingitore

2nd and Jackie Huey 3rd. In the Consolation Brackett (new this year) were 1st-Glen Huey, 2nd- Mimi Wittkamp, 3rd- Dan Mulvey and 4th- Andrew Wilson.

Bill reminded members that the Woodside Home/Home tournaments are scheduled for July and August. Watch for individual sign-up applications that will soon be available in the Proshop.

Steve Santos reported that the next Carolinas Inter Club Match Play will be held July 15 vs. Indian Hills GC and July 21 vs. Hidden Valley GC. Both matches are away. The next home match will be August 5.

7. CLUB REPORT - Mike D.

Mike told members he had been out playing the back nine and felt the course was in great shape. Mike also went over several scheduling problems that will be occurring such as the 6/21 & 6/23 dogfight, the August 21 CCGA meeting etc. Mike fielded a number of questions and made notes on some issues he would look into. A Club report was not scheduled for this CCGA meeting.

8. UNFINISHED BUSINESS

Dan provided follow-up to the membership present regarding the feedback the Board received after the May 15th meeting. The Executive Board received four feed back memos in addition to Dean Woods letter regarding the conditions here at the Club from Association members. Subsequently, a letter was sent to the Thurmonds requesting a meeting with the Executive Board. The Board met with them on June 18, 2007. We provided input to the Thurmonds incorporating member's feedback. Some of the items covered in the meeting included event scheduling, communications, Food & Beverage Service, Pro Shop and course conditions. The Board felt it was a positive and productive session and that the Thurmonds understand our concerns and furthermore, wanted to address them in a positive manner. The Thurmonds and the Board agreed to exchange a "Check List" of sorts to ensure that both parties are "on the same page" with regards to the concerns. It was also agreed the CCGA Executive Board will meet with Club Management on a quarterly basis to help in the effort to enhance communications.

9. NEW BUSINESS

There was no new business.

10. MEETING ADJOURNED – 8:20 PM

Correction
Monthly Meeting Minutes
May 15, 2007**

Page 3, Paragraph 6, First Sentence – “Dean Wood asked Dan to read a letter he composed regarding his thoughts and concerns with regard to the direction and attitude the management at the Golf Club of Cedar Creek has been taking of late.”

Please delete “and attitude” from this sentence.

Subject : My short write-up

Ground under repair is defined as an abnormal Ground Condition and interference occurs when a ball lies in or touches the condition or when the condition interferes with the players stance or the area of his intended swing. A ball can be played from ground under repair unless there is a local rule prohibiting play from such areas. The ball may be cleaned and lifted when taking relief. Relief must be carefully determined and relief might mean that the player would have to drop in an area where the ball is then unplayable. For that reason players should not pick up their ball until they are certain of their next step. Once picked up the ball can be replaced but with a penalty stroke. For further information see Rule 25. Abnormal Ground Conditions, Embedded Ball and Wrong Putting Green.

No banners. No pop-ups. No kidding.

**CEDAR CREEK GOLF ASSOCIATION
MONTHLY MEETING MINUTES**

July 17, 2007

Chuck Scarton called the meeting to order in Dan Mulvey's absence and welcomed all those present. He reminded members to sign in and update e-mail addresses. Twenty one members were present. Chuck asked Sue Mulvey to give the members an update on how Dan was doing since his hip replacement surgery. Sue reported that Dan was doing very well and greatly appreciated the get well cards and calls. Chuck then recognized the winners of the Chip Off that took place prior to the meeting. Steve Santos won 1st place, Bill Hunkle won second place and Bob Costello won 3rd place. Chuck also congratulated the hole in one winners since the last meeting; Jerry Kothera, Mike Close and Chuck Scarton.

1. MINUTES OF PRIOR MEETING

There were no corrections to the minutes of the June 19, 2007 meeting and they were declared approved.

2. TREASURER'S REPORT - Andrew Wilson

Andrew Wilson reported the balance in the treasury at \$2,969.46. Andrew explained the expenses and revenue through July 17, 2007. Andrews report was accepted as presented. A copy will be posted on the bulletin board.

3. TOURNAMENT COMMITTEE – Greg Pasco

Greg reported that 56 player participated in the July tournament. The August tournament will be a "U-Pick" Captains Choice on August 11 with a 9 AM shotgun start. Sign-up is available in the Pro Shop. Greg also reminded members that the Club Championship Tournament will be held in September and the Property Owners Tournament will be held in October.

4. HANDICAP/RULES COMMITTEE – Chuck Scarton/George Montgomery

Chuck Scarton reported on improvements in the course identification. Subsequent to the re-measuring of the course in June by the SCGA, the GC@CC and the Handicap Committee, it was determined that a number of changes to the course set up were necessary and will take effect 09/01/07. The committee is still awaiting comments and opinions from the USGA regarding our course conditions. A copy of the Tee and Yardage Changes are attached to these minutes and will be posted on the bulleting board.

Andrew Wilson presented visuals of the new course score card that will be displayed permanently. The new score card will reflect corrected yardage, slope and rating. The new card will also provide bullets of local rules, AED placements and restroom locations. The new score cards should be available in September.

The Handicap committee then fielded questions from the members that included:

Bill Steinle questioned who, why and when it was decided to change the white tee locations without bringing the issue to the membership.

A. The issue of re-measuring and re-rating the course has been part of the Handicap Committee since January and updates have been presented to the membership at several of the monthly meetings. This is part of the recertification process of our course by the SCGA (and USGA).

Burt Wronsky challenged the right of the committee to re-rate the course without first documenting 100 actual scores.

A. The committee acknowledged that the mathematical method was not used. Since there is no past history of black tee players on the affected tee boxes, there is no data to base a mathematical evaluation. Instead, the best judgment of the Handicap Committee was used. This is not only allowed, but recommended under the rules of golf (Section 17-1 of The USGA Handicap System). The committee will do the mathematical calculations on the recommended 200 hole-by-hole scores after the new score card goes into effect.

Marty Katz questioned an illegal OB stake on # 12 and suggested a local rule change regarding markers.

- A. The committee is looking into the marker on #12 and will report back on how they will handle the issue.

George Montgomery provided an interesting demonstration and discussion regarding the rules for *Lateral Hazards*. A brief synopsis of the rules and options are attached to the minutes posted on the bulletin board.

5. WELFARE & SAFETY – John Turner

Chuck reported for John on the status of the AED implementation project. Hank Thurmond OK'd the plan and the six AEDs have been ordered and received. We are awaiting materials for the AED stands and boxes. Once received, the implementation committee will begin construction. Our goal is for complete deployment by September.

6. PROGRAMS & EVENTS – Bill Steinle

Bill reported that the Woodside Home/Home event will take place here on August 1st and at Woodside Plantation on August 15th. There are still white tee player slots available.

7. CLUB REPORT - Mike D.

Mike thanked Chuck and the Handicap committee for the tremendous job they are doing in correcting and identifying the course. Mike reported the aeration is complete on the greens and thanked everyone in advance for their patience while the greens heal. Mike called attention to the new summer menu at the Grille. Mike and several Cedar Creek ladies are working on fall merchandise for the shop. Mike also announced the Club will only hold up to \$750 for the "hole in one pot." Anything over that amount will be handed over to the CCGA treasurer for deposit into the general account. The winner of a hole in one will receive \$750 plus whatever amount is being held in the general account if the "pot" exceeds \$750. Mike reported that Hook a Kid on Golf will have a program here on July 23 and 24. Mimi Wittkamp was looking for a few volunteers. And finally, Member Appreciation Day will be held on August 27th. The course will open at 9AM and will have \$1 dogs, burgers and beer.

8. UNFINISHED BUSINESS

The Executive Board provided written input as follow-up to Hank and Carol with our understanding on the next steps. The Executive Board has noticed and hopefully the members have as well, some positive actions which we hope will continue. Membership feedback is encouraged, pro and con.

9. NEW BUSINESS

There was no new business.

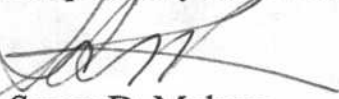

10. MEETING ADJOURNED – 7:55 PM

**NEXT MEETING WILL BE MONDAY, AUGUST 20,
2007 6:30 pm**

ATTACHMENTS:

- Current List of Members
- Members Meeting Sign-in Sheet
- Treasurer's Report
- Tournament Participation Report
- Tee and Yardage Changes

The Golf Club at Cedar Creek

Tee and Yardage Changes

Subsequent to the re-measuring of the course in June 2007 by representatives of the South Carolina Golf Association, the Club, working with the SCGA and the Handicap Committee, has determined that a number of changes to the course set-up will be implemented with effect from September 1, 2007. The changes include the following:

- Relocating the Gold tee to the Blue tee box on Hole 15,
- Relocating the Blue tee to the Gold tee box on Hole 5,
- Relocating the White tee to the Blue tee box on Holes 2, 5, 8 and 14,
- Relocating the Black tee to the White tee box on Holes 2, 12 and 14,
- Adjusting the handicap strokes for the Black tees,
- Locating or relocating permanent tee markers on all Holes,
- Correcting the location of some 150-yard markers.

The changes are being implemented for the following reasons:

- To bring the yardages on the card into line with the actual distances,
- To allow a better balance of play and wear across all tees,
- To maintain the integrity of the handicap system,
- To comply with the SCGA's recommendations,
- To adjust the relative difficulty of the course between tees.

The table below shows the changes to overall yardages, ratings and slopes.

Tee	Current			New		
	Yards	Rating	Slope	Yards	Rating	Slope
Championship (Gold)	7206	74.5	138	7045	74.5	138
Back (Blue)	6659	71.9	137	6700	72.1	137
Middle (White: Men)	6247	69.8	129	6347	70.3	130
Forward (Black: Men)	5497	66.1	121	5682	66.9	123
Middle (White: Ladies)	6247	76.5	139	6347	76.9	141
Forward (Black: Ladies)	5497			5682	72.9	129
Front (Red: Ladies)	5082	69.6	122	5035	69.4	122

The Course Ratings and Slopes have been re-certified by the SCGA and the WSCGA in accordance with USGA procedures, and new handicap tables have been issued (except for the Gold tee, which remains unchanged) and will be posted.

A new scorecard is being prepared, and will be introduced concurrently with the changes to the course. The appropriate changes to the course ratings and slopes will be made in the handicap system computer at the same time.

July 17, 2007

Rule 26: Water hazards including Lateral Water Hazards.

DEFINITIONS:

Hazard – A hazard is any bunker or water hazard.

Water Hazard – A water hazard is any sea, lake, pond, river, ditch, surface drainage ditch or other open water course (whether or not containing water) and anything of a similar nature on the course. Stakes and lines used to define a water hazard must be yellow.

Lateral Water Hazard – A lateral water hazard is a water hazard or that part of a water hazard so situated that it is not possible or is deemed by the Committee to be impracticable to drop a ball behind the water hazard in accordance with Rule 26-1b. Stakes or lines used to define a lateral water hazard must be red.

NOTE: The committee may define a lateral water hazard as a water hazard.

NOTE: Except as provided in the Rules, before making a stroke at a ball that is in a hazard (whether a bunker or water hazard), the player must not:

- a. Test the condition of the hazard or any similar hazard.
- b. Touch the ground in the hazard or water in the water hazard with his hand or a club or
- c. Touch or move a loose impediment lying in or touching the hazard.

There are a few exceptions such as the result from falling or preventing a fall, removing an obstruction, in measuring or in retrieving, lifting, placing or replacing a ball under any rule or (b) places his clubs in a hazard.

You have addressed a ball in a hazard when you have taken your stance.

PROCEDURE:

In order to treat the ball as lost in the hazard, there must be reasonable evidence that the ball lodged in it. In the absence of such evidence, the ball must be treated as a lost ball and Rule 27 applies.

WATER HAZARD defined by yellow stakes: If a ball is in or is lost in a water hazard the player may under penalty of one stroke:

- a. Play a ball as nearly as possible at the spot from which the original ball was last played (see Rule 20-5); or
- b. Drop a ball behind the water hazard, keeping the point at which the original ball last crossed the margin of the water hazard directly between the hole and the spot on which the ball is dropped, with no limit to how far behind the water hazard the ball may be dropped.

LATERAL WATER HAZARD:

- a. Play a ball as nearly as possible at the spot from which the original ball was last played.
- b. Drop a ball anywhere on the far side of the hazard keeping the point where the ball last crossed the hazard and in line with the flagstick.
- c. Drop a ball outside the water hazard within two club-lengths of and not nearer the hole than (1) the point where the original ball last crossed the margin of the hazard or (2) a point on the opposite margin of the water hazard equidistant from the hole. NOTE: The Lateral Water hazard may not have a point on the opposite margin as this could be out of bounds, physically inaccessible, etc.

NOTE: The ball may be lifted and cleaned when proceeding under this rule

NOTE: You also have the option of playing the ball as it lies if that is physically possible.

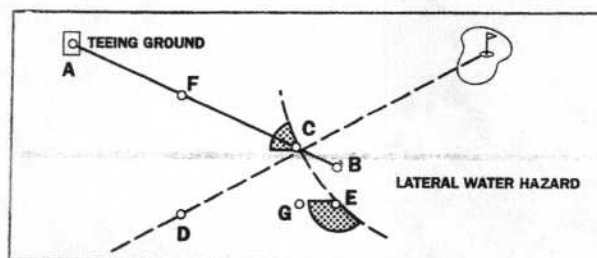

NOTE: Some water hazards are so large or are shaped such that it is impossible to drop behind the water hazard. In such cases the establishment of a Ball drop as an additional option under the water hazard Rule (Rule 26-1) may be justified.

NOTE: Line of flight does not apply anywhere in the Rules of Golf.

NOTE: THERE IS NO PROVISION IN THE RULES FOR HITTING A PROVISIONAL BALL IF ONE IS NOT SURE IF THE BALL IS IN OR OUT OF THE HAZARD. A local rule can be implemented for use of a provisional ball for water hazards (yellow stakes) if going to inspect the result would result in a delay in play. The ball is played provisionally under any of the available options under Rule 26-1 or any applicable Local Rule. In such a case, if a provisional ball is played and the original ball is in a water hazard, the player may play the original ball as it lies or continue with the provisional ball in play but he may not proceed under Rule 26-1 with regard to the original ball. If the original ball is found outside of the water hazard then the provisional ball is abandoned and the original ball is in play.

LATERAL WATER HAZARD RELIEF PROCEDURES.

26-1/15 Procedures for Relief from Lateral Water Hazard

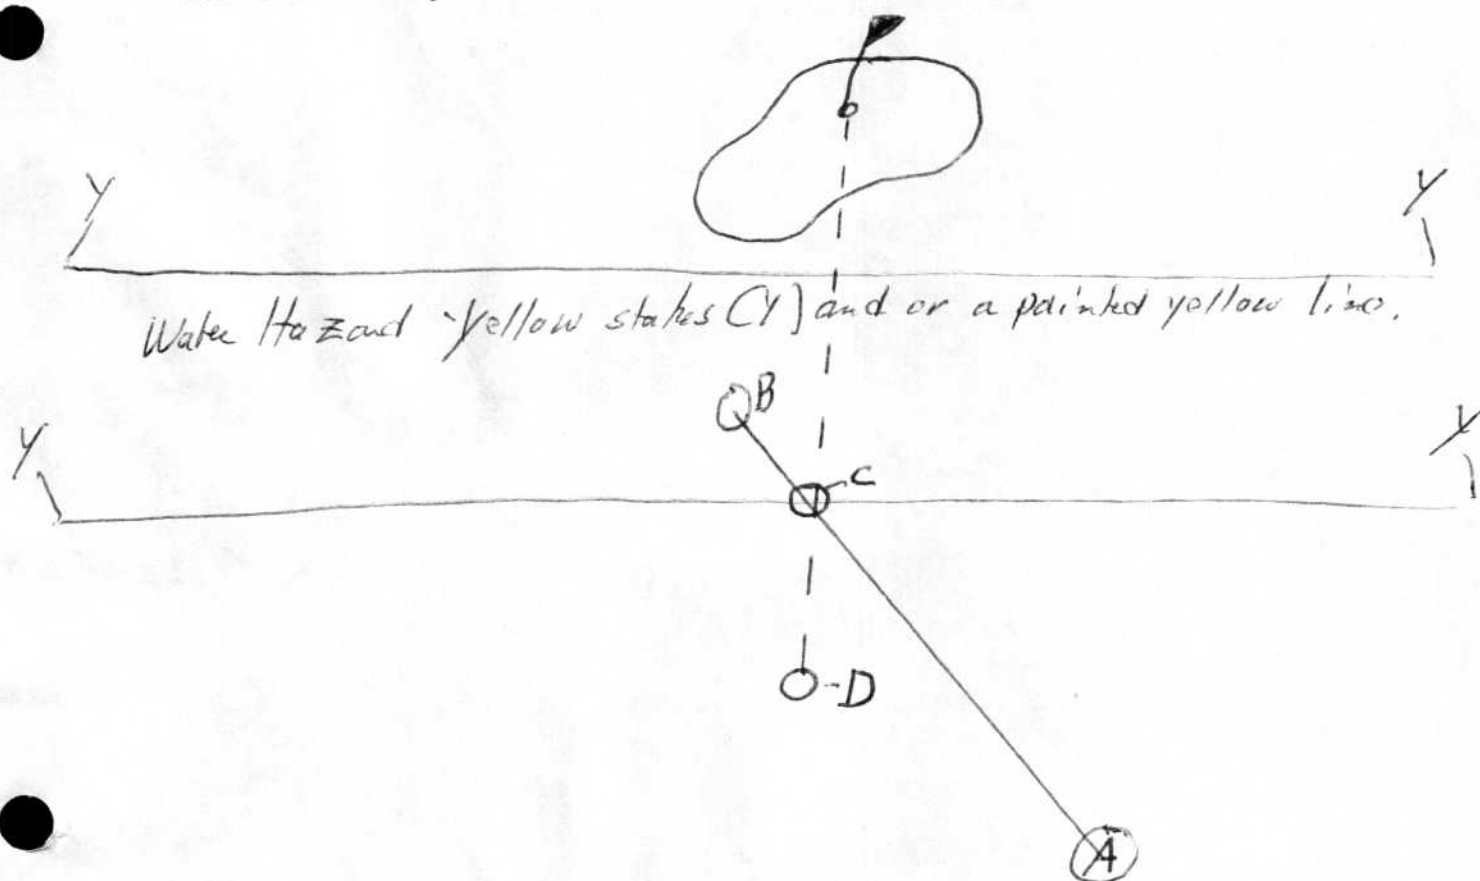

In the above illustration, a player has played a ball from the teeing ground (Point A) into the lateral water hazard at Point B. It last crossed the margin of the hazard at Point C. He may play the ball as it lies or, under penalty of one Stroke:

- play another ball from the teeing ground – Rule 26-1a;
- drop a ball anywhere on the far side of the hazard on the dotted line from the hole through Point C, e.g., Point D – Rule 26-1b;
- drop a ball in the shaded area on the near side of the hazard which is all ground within two club-lengths of Point C, but not nearer the hole than Point C – Rule 26-1c(i) or;
- drop a ball in the shaded area on the far side of the hazard which is all ground within two club-lengths of Point E, but not nearer the hole than Point E – Rule 26-1c(ii).

The player MAY NOT drop a ball on the so-called “line of flight” at Point F or anywhere else on the line the ball followed from A to B, except in the shaded area on the near side. Nor may he drop a ball within two club-lengths of Point G, the point on the far side of the hazard directly opposite Point C. A provisional ball is not allowed in this situation.

Water Hazard example:

In the above illustration a player has played a ball from Point A into the "water hazard" at Point B. It last crossed the margin of the hazard at Point C. He may play the ball as it lies or, under penalty of one Stroke:

- Play another ball from Point A.
- Drop a ball anywhere on the near side of the hazard on the dotted line from the hole through Point C, e.g., Point D.

He may not play a ball along the line of flight from A to B except at Point C.

He may not play a provisional ball in this situation unless one is offered through a local rule.

CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING MINUTES

August 20, 2007

1. MINUTES OF PRIOR MEETING

There were no corrections to the minutes of the July 17, 2007 meeting and they were declared approved.

2. CLUB MANAGEMENT REPORT

Dan introduced Club owner Hank Thurmond who joined us to share what's been happening at the Club as well as the goals for the upcoming year. Hank thanked the CCGA for the hard work and fine job it's done on this year's tournaments, the AED Program and the Handicap/Course Layout Project. Hank informed the members that Club accountant, Floyd Oliver, was moving to Florida and would be replaced by Cassandra Mitchell. He thanked Mike D. for the fine job he has been doing while they continue to look for a new General Manager. Hank stated that the Club is in the final stages of bringing a new GM on board. Hank introduced Katherine Olstein as the new Food and Beverage Manager.

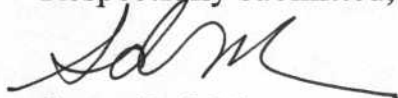

In recapping what was accomplished in 2007, Hank noted that 400 trees were removed to enhance grass growth, they stepped up aerification and fairway aerification was done for the first time. All the greenside bunkers have been rebuilt and are being edged to specifications. The #2 bunkers, however, remain works-in-progress. The Club has added two new maintenance personnel to the staff.

Projects for 2008 include the continuing aerification of greens and fairways. Hank believes another two or three hundred trees will be removed this winter. Plans for working on some of the *ground under repair* areas are in the works. The nearside and middle fairway of # 12 where it has been washed out will be worked on. Holes #3, 6, and 12 all need work at the greens. And the #3 and 15 gold, blue, and white tee boxes need work. Hank also plans to do some functional work on the driving range prior to any esthetic work on the bunkers and chipping areas. As has been done in the

FAQ for play of water and lateral water hazards on Cedar Creek Golf Club Hole #3.

(FAQ in this case refers only to the area in and around the Pond between the 100 yard marker and up to and near the green).

- 1) Can a body of water be a water hazard and a lateral water hazard?
 - a. A given part of a water hazard can be defined as both a water hazard and a lateral water hazard if conditions warrant. Also a given part of a body of water may be defined as a water hazard and another part of the same body of water as a lateral water hazard (Decision 33-2a/6 and 33-2a/7).
- 2) How may the committee define a body of water where it is impracticable to define the opposite margin?
 - a. The committee may define a body of water as a water hazard or lateral water hazard even though it may not be on the club property. When it is impracticable for the committee to define the opposite margin, the Committee may state that when marked on just one side, a water hazard is deemed to extend to infinity. Accordingly all ground and water beyond the defined margin of the hazard is in the hazard. (Decision 33-2a/11)
- 3) The design of a hole is such that a player must hit the ball about 100 yards in order to carry a water hazard. Should a Ball Drop (Dropping Zone) be located so that it is across the hazard?
 - a. No. The drop zone would allow the player to drop a ball on a part of the course (on the green side of the water hazard) that Rule 26-1b would not have permitted him to reach. (Decision 33-8/2) (My interpretation is that a drop zone on hole #3 would have to be placed somewhere along the fairway between the pond and the cart path although it could be closer than 100 yards.)

HOLE-IN-ONE CLUB

The Golf Club at Cedar Creek manages the Hole-In-One (HIO) Club. Their rules include:

- 1) The HIO Club is open to all members of the Golf Club at Cedar Creek who are in good standing with active memberships.
- 2) The Fund for the HIO Club is maintained by the Club and is paid out for witnessed holes-in-one. The amount paid out is dependant on how much money is in the fund at the time of the HIO. If two or more holes-in-one occur on the same day, claims will be addresses in sequence, based on the time of day the HIO occurred.
- 3) Hole-in-one claims must be made to the golf club pro shop immediately following the round. Information provided must include the name of the player, the hole number, the club used, the tee from which the shot was played, the time of day and the name(s) of the witness(es).
- 4) To enter for a chance to win any accumulated money in the HIO Club Fund, the entrant must contribute fifty cents (\$.50) to the HIO Club prior to playing their round. Playing multiple rounds in the same day requires multiple contributions of fifty cents to the HIO Club Fund.
- 5) A minimum of nine holes must be played to qualify for a payout for a hole-in-one.
- 6) If less than \$500 is in the HIO Fund, one (1) witness other than The player is required. If more than \$500 is in the HIO Fund, the event must be witness by two (2) persons other than the player making the hole-in-one. Hole-in-one claims made by solo players will not be recognized.
- 7) The Hole-In-One Club is intended for holes-in-one made at The Golf Club at Cedar Creek. Claims of a HIO made at other clubs will not be recognized.

Front Nine

Clubhouse AED

Located inside the Clubhouse
Covers Holes 1 & 9

Clubhouse Drive AED

Located east side of Club Dr back of
#2 Green

Covers Holes 2, 7, 8

Scenic AED

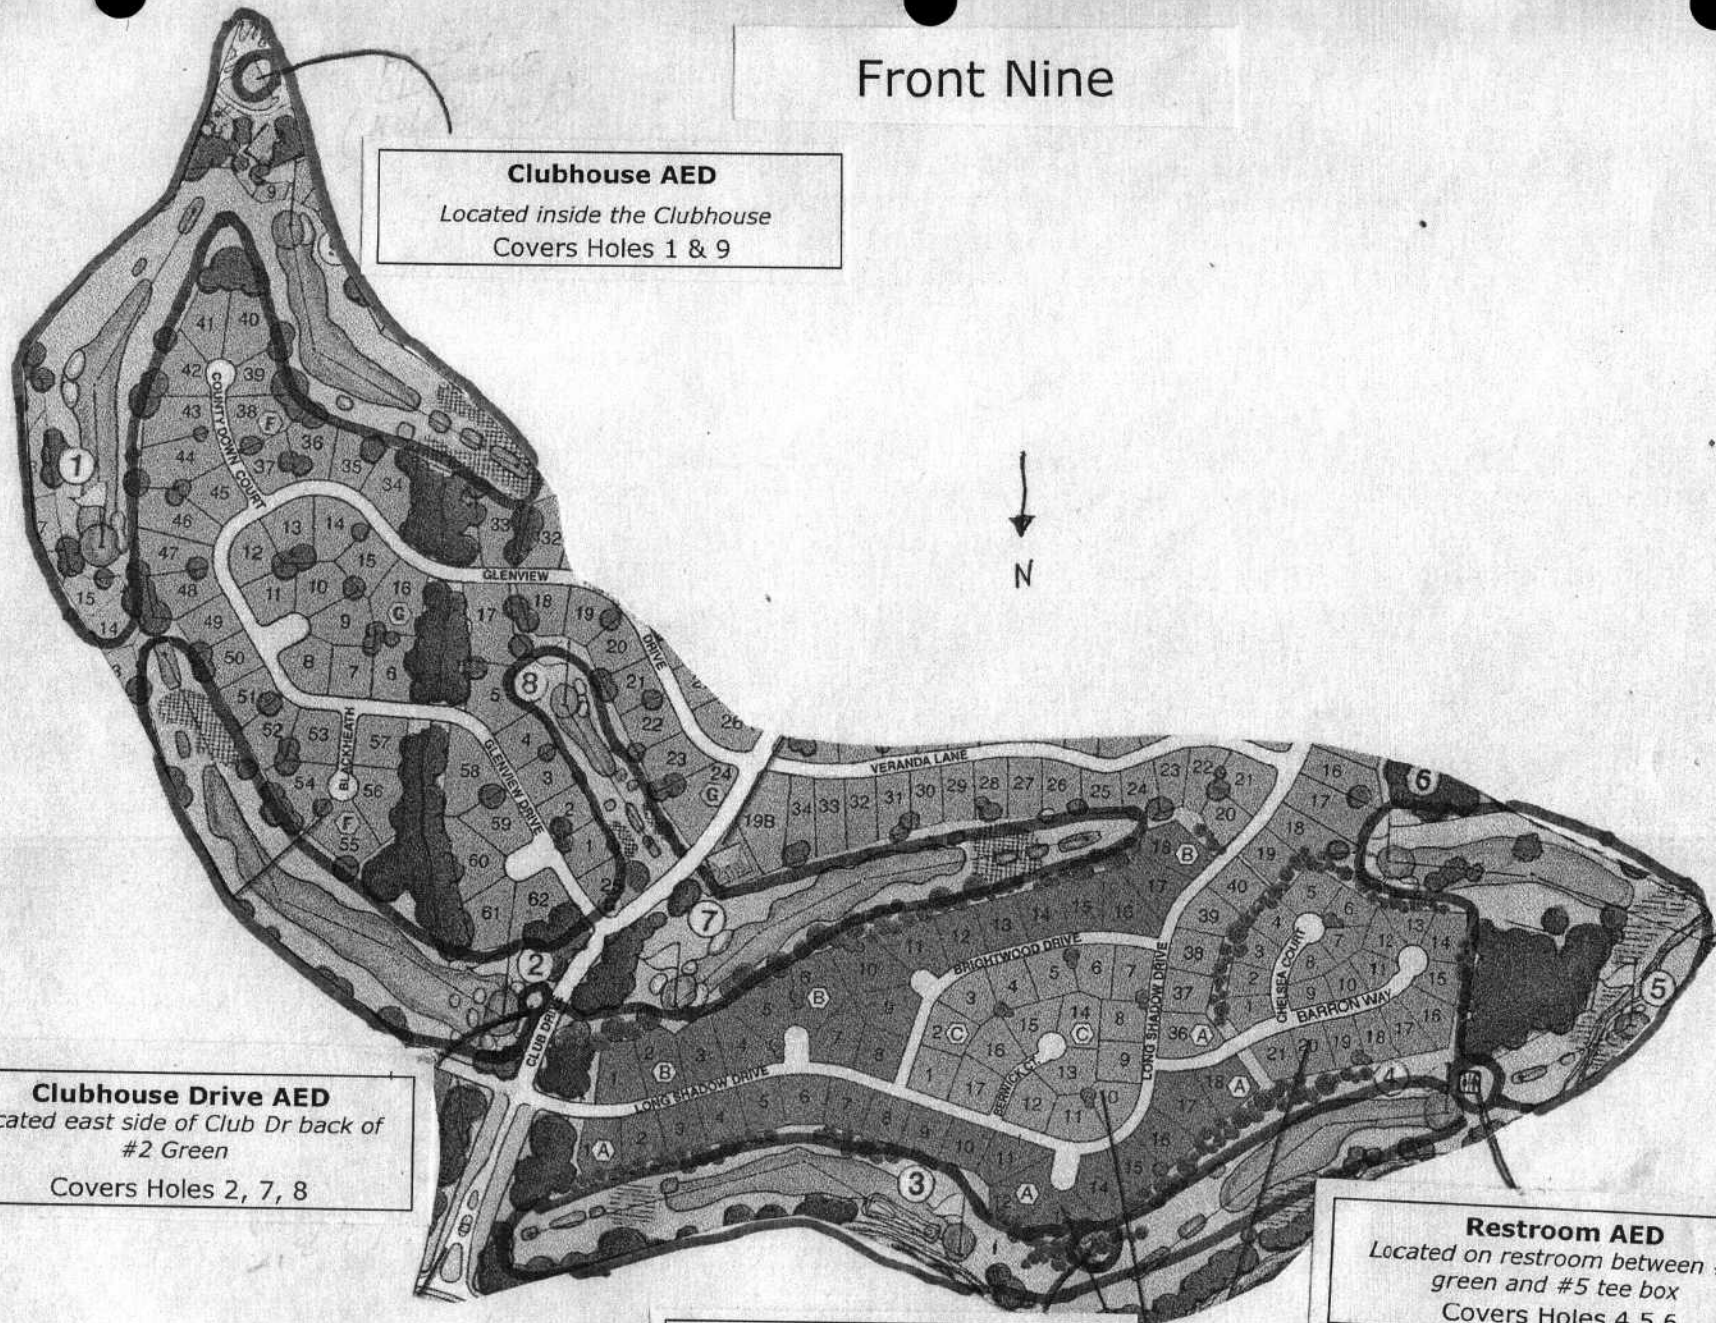

Located on cart path between 3 Green
and 4 Tee Box

Covers Holes 3 & 4

Restroom AED

Located on restroom between #4
green and #5 tee box

Covers Holes 4, 5, 6

Back Nine

11th Green AED

*Located left side of 11th Green
Covers Holes 11 & 12
(and 10 Green)*

Clubhouse AED

*Located in the Clubhouse
Covers Holes 10 & 18
(and 17 green)*

Waverly Lane AED

*On Cart Path near Waverly Lane
(between 13 Green & 14 Tee)
Covers holes 13 & 14*

Restroom AED

*Located on restroom near 15th Green
Covers Holes 15,16,&17*

**CEDAR CREEK GOLF ASSOCIATION
MONTHLY MEETING MINUTES**

September 18, 2007

Dan Mulvey called the meeting to order and welcomed all those present. He reminded members to sign in and update e-mail addresses. Twenty members were present. Dan shared an amusing golf story.

Dan recognized Steve Santos and Bob Miller as having made Holes-in-one since the last meeting.

1. MINUTES OF PRIOR MEETING

There were no corrections, additions or changes to the minutes of the August 20th meeting and were declared accepted as posted.

2. TREASURER'S REPORT - Andrew Wilson

Andrew Wilson reported the balance in the treasury at \$2,841.19. Andrew explained the expenses and revenue through September 18, 2007. Andrews report was accepted as presented.

3. TOURNAMENT COMMITTEE – Greg Pasco

Since the CCGA did not have a tournament this month there was no report however, Gregg did wish to remind members that the ever popular "Bubba Tournament" will be held on November 10th with a shot gun start at 10:30 AM. The format for the December tournament is still to be determined but will take place on December 8th also with a 10:30 AM shot gun start followed by the CCGA Annual Meeting.

4. HANDICAP/RULES COMMITTEE – Chuck Scarton/George Montgomery

Chuck Scarton reported that the Handicap Committee was still collecting and evaluating dog fight scores in order to have correct handicaps on the black tees.

5. WELFARE & SAFETY – John Turner

John will have a report for the October meeting. In the mean time he reminded members to please not open the AED boxes out on the course. He has had to replace the security tabs on a number of the units already.

6. PROGRAMS & EVENTS – Bill Steinle/Jim Mitchell

No report

7. CLUB REPORT - Mike D.

No report.

Burt Wronsky requested that the membership be aware of the following. The item on page two of the Golf Club at Cedar Creek Membership Programs, Due and Fees Packet;

7. Fees and Dues are subject to change without notice

does not apply to members who have **prepaid** their membership fees and dues.

8. UNFINISHED BUSINESS

Dan put forth the 30 day notice required to make the recommended changes to the constitution regarding the CCGA fiscal year change. Copies of both the original constitution and changes were available to those members present and will be posted on the bulleting board. Voting on the recommended changes will take place at the October meeting.

Dan gave a synopsis of the Dogfight Flighting that took place on September 11th. Reviews were mixed. The Dogfight Computer “gang” will meet to discuss the “Closest to the pin” issue. It was recommended that the flighting and other options available in the Dogfight computer program be used periodically.

9. NEW BUSINESS

The CCGA has been asked to once again participate in the Rally for a Cure Tournament. Dan asked for member approval to sponsor a hole (\$250) and enter a foursome (\$100) this year. Members approved participation unanimously.

At this time Dan stated that in order to bring the treasury balance down to the board recommended \$1000 to \$1500 end of year balance, the excess funds be put into the CCGA tournaments for November and December and also put some monies towards the meal at the January tournament.

Dan presented the Nominating Committee for the 2008 Executive Board Candidates. They are Marty Katz, Earl Bennett and Helen Barry. The committee will be putting together a slate of candidates over the next sixty days and present them to the membership during the November meeting. The voting will take place at the December annual meeting. If you are interested in a position on the executive Board please see one of these people.

Dan asked that the CCGA take the lead this year with a Fall Course Clean - up day. Suggestions for organizing this will be brought to the October meeting.

The Executive Board decided to raffle the Rally for a Cure Foursome spot to a member. If the winning member has already has a paid spot in the tournament the CCGA will reimburse the \$200. If the winning member does not already have a foursome spot in the tourney the CCGA will pay for that spot. The winning member was Ron Kolosek.

THE NEXT CCGA MEETING IS OCTOBER 16, 2007

10. MEETING ADJOURNED – 8:32 PM

Respectfully submitted,

Susan D. Mulvey
Secretary

CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING MINUTES

October 16, 2007

Dan Mulvey called the meeting to order and welcomed all those present. He reminded members to sign in and update e-mail addresses. Twenty five members were present. Dan shared an amusing golf story. Prior to the meeting this month, the CCGA sponsored a putting contest for members attending the meeting. Paul Pecoraro and Andrew Wilson shared first place and Ed Sabo placed third. Thank you to all who participated.

There were no holes-in-one or other stupendous feats on the course since our last meeting.

Dan read a letter from the Thurmonds thanking the CCGA for its support in making the 2007 Rally for a Cure Tournament a great success again this year.

1. MINUTES OF PRIOR MEETING

There were no corrections, additions or changes to the minutes of the September 18th meeting and they were declared accepted as posted.

2. TREASURER'S REPORT - Andrew Wilson

Andrew Wilson reported the balance in the treasury at \$2,347.19. Andrew explained the expenses and revenue through October 16, 2007. Andrews report was accepted as presented.

3. TOURNAMENT COMMITTEE – Greg Pasco

Again the CCGA did not have a tournament this month however, Gregg did wish to remind members that the ever popular "Bubba Tournament" will be held on November 10th with a shot gun start at 10:30 AM. Breakfast will be served between 8 and 10 am. The format for the December tournament will be a 2-person scramble and will take place on December 8th with a 10:30 AM shot gun start followed by the CCGA Annual Meeting. Sign-up will be available soon after the November Bubba Tourney.

4. HANDICAP/RULES COMMITTEE – Chuck Scarton/George Montgomery

Chuck Scarton reported that the Handicap Committee still has work to be done regarding handicap allocation on the black tees. The recommendation of the committee is to continue recording scores into next year and have data available for the next printing of score cards.

5. WELFARE & SAFETY – John Turner

John reported that a map which will convert areas on the golf course to addresses in the community has been made available to the appropriate authorities and will also be distributed to the community via the Home Owners Association.

Several of the units placed on the course now have plaques declaring that that unit was purchased in its entirety by the persons or businesses named on the plaque. These plaques include:

The Sullivan Family
Aiken Pest Control
Designer Builders

John reminded members to please not open the AED boxes out on the course. He has had to replace the security tabs on a number of the units. Please discourage fellow golfers from opening these boxes unless it is an emergency.

Dan also added that the CCGA Board did send a letter to the Home Owners Association offering up the map and also offered any help needed to integrate AED's into their emergency program. While the Home Owners Associations awaits a change to South Carolina law they will not be offering AED training with their CPR training. Dan requested that Sue Mulvey, a volunteer Health and Safety instructor for the Aiken County American Red Cross, work with the Red Cross to put together an inexpensive program that can be made available to the Association members. Sue presented three training classes that would cover members who have never had previous training or have had previous training certification expire (\$20.00), re-certification for members whose certification will expire(\$10.00), and for those members who were certified in CPR training only by the program

offered by the Home Owners Association (10.00). Members interested in participating in an Adult CPR/AED Training session should contact Sue @ 648-2234 or sdmulvey11@hotmail.com.

6. CLUB REPORT - Mike D.

Mike reported that the course is in good shape. Over seeding was completed and maintenance expects to begin mowing later this week. Due to the lack of significant rain, the course is still being heavily watered.

Mike announced that the T/TH Dogfights and Resident League play will continue to have a 9 am shot gun start (weather permitting). The start times will be re-evaluated in December.

Jack Hooke is looking for a volunteer(s) to take over the coordinating of the Property Owners Annual Tournament. Anyone interested please contact Mike or Jack.

Reminder: The Club closes at 1 PM on Thanks Giving Day. All play will be shot gunned at 9am. Traditionally there is no Dog fight on Thanks Giving Day.

Mike's Tip: Short Game – Practice, Practice, Practice

Go at the rest of your game, swing at 75% - don't try to do it all with one shot

Whether it's 250 or 25 yards – they all count the same

7. UNFINISHED BUSINESS

- Constitutional Changes

As was discussed at previous meetings, the Board recommended changing the fiscal year to October 1 thru September 30 to coincide with the Club's fiscal year.

Dan asked for and received a motion to change the fiscal year. The motion was seconded. There being no requested discussion the motion was approved unanimously by the 25 members present.

The dues for 2008 will be prorated for nine months at \$8.00 per member.

- Dogfight

An issue arose at the September meeting regarding how and what to payout for "closest to the pin" winners during flighted play. Bill Ely was to convene the computer gang for a resolution but Marty Katz stepped in and solved the issue by reprogramming the dogfight programs. Marty went on to explain that the computer will look at the entire field of players for that day and will use a payout table to determine the payouts. This will alleviate the computer gang from having to compute amounts. The computer will do all the calculations.

- Course Clean Up Day

Bill Ely has offered to coordinate a joint effort between the Association and the Club to do simple clean up on the course Monday, November 26th from 9 am to Noon. An item will be placed in the community newsletter requesting volunteers from the community at large. Beer and Hotdogs will be offered afterwards for \$1.00. A sign up sheet was available at the meeting and will be available in the Pro Shop.

- 2008 Executive Board Election

A slate of officers for the 2008 executive board is in the making and will be announced at the November meeting. Members were reminded that nominations from the floor will be accepted as long as the person nominated agrees to serve. Voting will take place at the December annual meeting immediately following the tournament.

9. NEW BUSINESS

There was no new business.

THE NEXT CCGA MEETING IS NOVEMBER 20, 2007

10. MEETING ADJOURNED -7:18PM

Respectfully submitted,

Susan D. Mulvey
Secretary

CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING MINUTES

November 20, 2007

Dan Mulvey called the meeting to order and welcomed all those present. He reminded members to sign in and update e-mail addresses. Twenty six members were present. Dan shared an amusing golf story.

There was one Hole-in-One made by Jack Hooke since the last meeting and there were no other stupendous feats on the course.

Mike D. announced that he has given the names of everyone who has had a Hole-in-One here at Cedar Creek since March of 2007 to the Augusta Chronicle to be printed on their Hole-In-One Page.

1. MINUTES OF PRIOR MEETING

There were no corrections, additions or changes to the minutes of the October 16, 2007 meeting and they were declared accepted as posted.

2. TREASURER'S REPORT - Andrew Wilson

Andrew Wilson reported the balance in the treasury at \$2,447.05. Andrew explained the expenses and revenue through November 20, 2007. Andrews report was accepted as presented. Andrew stated that there are currently 209 association members.

3. TOURNAMENT COMMITTEE - Greg Pasco

The ever popular 'Bubba Tournament' had 88 participants and because of the large turnout, the committee was able to give out \$1,335 in prizes to 36 winners. The format for the December tournament will be a 2-person captain's choice scramble and will take place on December 8th breakfast will be served prior to the 10:30 AM shot gun start and will be followed by the CCGA Annual Meeting. Sign-up is available in the Pro Shop.

Greg announced the dates for the 2008 Tournament Schedule. The format of the tournaments will be determined by the Co-chairpersons of the 2008 Tournament Committee. A copy of the dates is attached to these minutes.

4. HANDICAP/RULES COMMITTEE – Chuck Scarton

Chuck did not have anything new to report this month. Dan asked that George's Rules component be held off until after the committee reports.

George discussed eight of the many new rules revised by the USGA. A copy is attached to the minutes posted on the bulleting board and in the CCGA Records Book in the members lounge.

5. WELFARE & SAFETY – John Turner

John reported that he and 8 of his neighbors participated in the American Red Cross Adult CPR/AED training program and recommends that other get the training also. He reminded the members that the course can be taken at the Aiken County Chapter of the American Red Cross or here at the GC@CC. The Cedar Creek Owners Association also provides CPR training without the AED segment. Please contact Sue Mulvey or John if you are interested in the training program.

Fundraising letters will be sent out to the community in an effort to raise the \$1,000.00 needed to purchase the 9th AED unit to provide optimum coverage of the golf course. Your generosity is very greatly appreciated.

6. CLUB REPORT - Mike D.

Mike reported that the course is in good shape. Additional over seeding on parts of #3 and #7 is the reason for heavy watering. Watering should be cut back in a few days. There is also an area on # 1 that was re-over seeded but it was also discovered that it was receiving double coverage from two sprinklers. This problem is being dealt with.

The T/TH Dogfights and Resident League play will continue to have a 9 am shot gun start (weather permitting). The start times will be re-evaluated in a few weeks.

Demo Day (Calloway) from 11 to 2 PM and the Annual Holiday Sale and Cocktail Party from 5 to 7 PM will be Saturday, November 24, 2007.

REMINDER: The course will be closed on December 25th. Watch for info on the hours for the 24th. The course will close at 1:30 PM on New years Day. A shot gun start for everyone wishing to play will be at 9 AM

7. UNFINISHED BUSINESS

- **Constitution/Bylaws Revision**

Copies of the revised Constitution and Bylaws are now in the CCGA Records Book in the members Lounge and posted on the bulletin Board.

- **Course Clean Up Day**

Bill Ely has coordinated the Course Clean Up Day on Monday, November 26th from 8 am to 11 AM. Passes for Free Greens Fees will be given out to participants by the Club. One dollar Beer and one dollar Hotdogs will be offered afterwards part of which will be funded by the CCGA. A sign up sheet is available in the Pro Shop. Those participating are asked to bring gloves, leaf rakes and pinecone picker-uppers.

- **2008 Executive Board Election**

The Nominating Committee, Earl Bennett, Helen Barry and Marty Katz, have announced that the following have agreed to accept nominations for the 2008 CCGA Executive Board:

President	Bob Leith
Vice President	Dave Beveridge
Treasurer	Andrew Wilson
Secretary	Sue Mulvey
Tournament Co-Directors	Bob Armstrong
	Mickey Collins

The election will take place at the annual meeting, December 8, 2007 immediately following the December Tournament.

REMINDER: The Bylaws state that nominations may be made from the floor provided the persons nominated have agreed to accept the nominations.

8. NEW BUSINESS

There was no new business.

9. One Last Quiz from Dan

Dan sprang a pop quiz on the members present. The quiz consisted of fifteen questions, some of which were relative to golf. Dean Woods answered 8 out of 15 questions correctly and was declared champion and Bill Ely answered 7 out of 15 correctly and came in second.

**THE NEXT CCGA MEETING IS THE ANNUAL MEETING,
DECEMBER 8, 2007 IMMEDIATELY FOLLOWING THE
DECEMBER CCGA TOURNAMENT.**

10. MEETING ADJOURNED -7:28PM

Respectfully submitted,

Susan D. Mulvey
Secretary

2008 CCGA Tournament Schedule

January 12 -10:30 AM

February 9 -10:30 AM

March 8 - 9:00 AM

April 19 - 9:00 AM

May 17 – 1:00 PM

June 14 – 9:00 AM

July 12 – 9:00 AM

August 9 – 9:00 AM

November 8 – 10:30 AM

December 13 – 10:30 AM

General

The changes to the Rules generally fall into two broad categories: (1) those that improve the clarity of the Rules and (2) those that reduce the penalties in certain circumstances to ensure that they are proportionate.

Definitions

Advice — Amended to allow the exchange of information on distance, as it is not considered to be “advice.”

Text in 2004	Text in 2008
Information on the <i>Rules</i> or on matters of public information, such as . . . , is not <i>advice</i> .	Information on the <i>Rules</i> , <u>distance</u> or matters of public information, such as . . . , is not <i>advice</i> .

Rule 12-2. Identifying Ball — Amended to allow a player to lift his ball for identification in a hazard (see corresponding change to Rule 15-3, removing the exemption from penalty for playing a wrong ball in a hazard).

Text in 2004	Text in 2008
Except in a <i>hazard</i> , if a player has reason to believe a ball is his, he may lift . . .	If a player has reason to believe a ball <u>at rest</u> is his <u>and it is necessary to lift the ball in order to identify it</u> , he may lift . . .
If the player fails to comply with all or any part of this procedure, or if he lifts his ball for identification in a <i>hazard</i> , he incurs a penalty of one stroke.	If <u>the ball is the player's ball and he fails to comply with all or any part of this procedure or he lifts his ball in order to identify it when not necessary to do so</u> , he incurs a penalty of one stroke.
	Note: If the original lie of a ball to be placed or replaced has been altered, see Rule 20-3b.

Rule 15-3. Wrong Ball — Amended to remove the exemption from penalty for playing a wrong ball in a hazard (see corresponding change to Rule 12-2, allowing the player to lift a ball for identification in a hazard).

Text in 2004	Text in 2008
a. Match Play If a player makes a <i>stroke</i> at a <i>wrong ball</i> that is not in a <i>hazard</i> , he loses the hole. There is no penalty if a player makes a <i>stroke</i> at a <i>wrong ball</i> in a <i>hazard</i> . Any <i>strokes</i> made at a <i>wrong ball</i> in a <i>hazard</i> do not count in the player's score.	a. Match Play If a player makes a <i>stroke</i> at a <i>wrong ball</i> , he loses the hole. Exception: There is no penalty if a player makes a <i>stroke</i> at a <i>wrong ball</i> <u>that is moving in water in a water hazard</u> . Any <i>strokes</i> made at a <i>wrong ball</i> <u>moving in water in a water hazard</u> do not count in the player's score. <u>The player must correct his mistake by playing the correct ball or by proceeding under the Rules.</u>
b. Stroke Play If a <i>competitor</i> makes a <i>stroke</i> or <i>strokes</i> at a <i>wrong ball</i> that is not in a <i>hazard</i> , he incurs a penalty of two strokes. There is no penalty if a <i>competitor</i> makes a <i>stroke</i> at a <i>wrong ball</i> in a <i>hazard</i> . Any <i>strokes</i> made at a <i>wrong ball</i> in a <i>hazard</i> do not count in the <i>competitor's</i> score.	b. Stroke Play If a <i>competitor</i> makes a <i>stroke</i> or <i>strokes</i> at a <i>wrong ball</i> , he incurs a penalty of two strokes. Exception: There is no penalty if a <i>competitor</i> makes a <i>stroke</i> at a <i>wrong ball</i> <u>that is moving in water in a water hazard</u> . Any <i>strokes</i> made at . . .

Rule 19-2. Ball in Motion Deflected or Stopped By Player, Partner, Caddie or Equipment — Amended to reduce the penalty in both match play and stroke play to one stroke.

Text in 2004	Text in 2008
<p>a. Match Play If a player's ball is accidentally deflected or stopped by himself, his <i>partner</i> or either of their <i>caddies</i> or <i>equipment</i>, he loses the hole.</p> <p>b. Stroke Play If a <i>competitor's</i> ball is accidentally deflected or stopped by himself, his <i>partner</i> or either of their <i>caddies</i> or <i>equipment</i>, the competitor incurs a penalty of two strokes. The ball must be played as it lies, except when it comes to rest in or on the <i>competitor's</i>, his <i>partner's</i> or either of their <i>caddies'</i> clothes or <i>equipment</i>, in which case the <i>competitor</i> must <i>through the green</i> or in a <i>hazard</i> drop the ball, or on the putting green place the ball, as near as possible to where the article was when the ball came to rest in or...</p>	<p><u>If a player's ball is accidentally deflected or stopped by himself, his <i>partner</i> or either of their <i>caddies</i> or <i>equipment</i>, the player incurs a penalty of one stroke. The ball must be played as it lies, except when it comes to rest in or on the <i>player's</i>, his <i>partner's</i> or either of their <i>caddies'</i> clothes or <i>equipment</i>, in which case the ball must <i>through the green</i> or in a <i>hazard</i> be dropped, or on the <i>putting green</i> be placed, as near as possible to the spot directly under the place where the ball came to rest in or. . .</u></p>

Rule 24-1. Movable Obstruction — Amended to allow a flagstick, whether attended, removed or held up, to be moved when a ball is in motion.

Text in 2004	Text in 2008
When a ball is in motion, an <i>obstruction</i> that might influence the movement of the ball, other than an attended <i>flagstick</i> or <i>equipment</i> of the players, must not be removed.	When a ball is in motion, an <i>obstruction</i> that might influence the movement of the ball, other than <i>equipment</i> of any player or the <i>flagstick</i> when attended, <u>removed or held up</u> , must not be moved.

20-1/6.5 Ball-Marker Pressed Down by Opponent

Q. In a match, the player's ball-marker on the putting green is pressed down by the opponent. Is the opponent in breach of the Rules?

A. No. Rule 18-3b does not apply to ball-markers. However, if the ball-marker were moved such that it no longer accurately marked the position of the ball, in equity (Rule 1-4), the opponent would incur a penalty of one stroke. If the opponent pressed down the ball-marker with the authority of the player and that act caused it to move, there would be no penalty to either player (see Decision 20-1/6). (New)
