## **Golf Rule Changes for 2008**

The most significant change that took effect on Jan. 1, 2008 has to do with identifying a ball lying in a hazard. Previously players were not permitted to lift a ball for identification when the ball lay in a hazard. Under the revised rules, players are permitted, by Rule 12-2, to lift a ball lying in a hazard in order to identify it and it will be a violation of Rule 15-3 if a wrong ball is played from any part of the course.

The penalty for violation of Rule 15-3 (playing a wrong ball) will be a two-stroke penalty in stroke play or the loss of hole penalty in match play.

### **OTHER CHANGES:**

1. Carrying but not using a non-conforming club will result in a penalty of two strokes per hole, with a maximum penalty of four strokes (stroke play). In match play, an adjustment to the status of a match would be made, with the maximum penalty being two holes.

Note: A non-conforming club can be declared out of play before teeing off on the first teeing ground. However in order to prevent any issues from developing or forgetting to declare a club out of play it is recommended that a non-conforming club not be carried during play.

2. Rule 19-2 has been amended to a one-stroke penalty in both match play and stroke play. Previously a ball accidentally deflected by a player, his partner or either of their caddies or equipment resulted in a two-stroke penalty (stroke play) or loss of hole (match play).

3. ADVICE: Amended to allow the exchange of information on distance, as it is not considered to be "advice".

4. A change to Rule 3-2a clarifies that it is permissible for a cash prize to be accepted for a hole-in-one made while playing golf.

January 15, 2008

MEMO: To the Members at the Golf Club at Cedar Creek

In order to better accommodate all of our golfing members, The Golf Club at Cedar Creek will make the following changes effective Thursday, March 6<sup>th</sup>.

- We will implement a shotgun start specifically for our Ladies' 18 hole and 9 hole golfers. The shotgun will begin at 9:00 on Thursdays. The golf course will open for the Dogfight beginning at 11:00.
- The Friday Residents' play and the Saturday Dogfights will have specific tee times and deadlines to sign up your foursomes. Copies of the tee sheets are enclosed.
- We will monitor these changes and make adjustments if/as necessary.

Thank You for your cooperation.

Mike DiPasquale, PGA  
Interim Golf Manager

# **CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING MINUTES**

**February 19, 2008**

Bob Leith called the meeting to order and welcomed all those present. He reminded members to sign in and update e-mail addresses. Thirty Four members were present.

A Hole-in-One was made by Helen Barry on #8 and by Andrew Wilson on #5.

## **1. MINUTES OF PRIOR MEETING**

There were no corrections, additions or changes to the minutes of the January 15, 2008 meeting and they were declared accepted as posted.

## **2. TREASURER'S REPORT** - Andrew Wilson

Andrew Wilson reported the balance in the treasury at \$2,716.20. Andrew explained the expenses and revenue through February 19, 2008. Andrews report was accepted as presented. Andrew stated that there are 154 association members.

## **3. TOURNAMENT COMMITTEE** – Mickey Collins/Bob Armstrong

The next CCGA event will be a Best Ball 3 person Net pick your own team event beginning with a 9 AM shotgun start on March 8, 2008. A hot dog and hamburger lunch will be served following the tournament. Mickey stated that he has been approached with a recommendation to discontinue the Low Gross prize in applicable tournaments. A discussion ensued but no action was taken at this time.

## **4. HANDICAP/RULES COMMITTEE** – Dave Beveridge

Dave reported that a committee has been put together. The committee will be exploring various ways to maintain the integrity of the handicap system.

## **5. WELFARE & SAFETY and PROGRAMS & EVENTS**

Bob stated that at this time the Association is still looking for volunteers to chair and support these committees. Anyone interested or if you would like additional information on what these committees consist of; please see any of the executive board members.

## **6. RULES COMMITTEE** – George Montgomery

George did not have anything to share with the members at this time.

## **7. CLUB REPORT** - Mike D.

Mike D. announced that the tree removal project will end at the end of this week. Stump grinding should end by the end of the month. Look for Masters Week changes in the March *Sandbagger*. Information on the Masters Week Kick-Off and Habitat for Humanity Reception will also be in the March *Sandbagger*.

## **7. UNFINISHED BUSINESS**

In order to purchase the final AED for the course, the board is still looking for donations from the members. Please see Andrew for more information.

## **8. NEW BUSINESS**

John Eden proposed a motion that "players may roll the ball no more than 12 inched in the fairway." An intense discussion followed. Burt Wronsky requested the club determine when it is appropriate to roll the ball or lift, clean and place. Mike D. replied that lift, clean and place is too time consuming for tournaments. Ron Phillips responded that the motion would constitute implementing an illegal rule. George Montgomery referred the members to pages 98 and 99, Appendix I, Item 3 Temporary Conditions in the USGA Rule of Golf booklet. The motion was seconded and a very intense discussion followed. Luanne Langmo called for the question, a vote was taken and the motion was defeated unanimously.

The Board announced that this year the CCGA would be distributing donations to the following groups.

The Silver Bluff HS Golf Team - \$250  
Hook-A-Kid-on-Golf - \$150  
Cedar Creek 18-Hole Ladies - \$100  
Cedar Creek Ladies Club - \$50  
Rally for a Cure - \$250

As per our Constitution and By Laws, the members were asked to vote on the distribution of the \$250 to Silver Bluff HS. The Vote was unanimous.

## **ADJUSTING SCORES:**

### **INCOMPLETE HOLES OR CONCEDED STROKES:**

If you pick up on a hole or are conceded a stroke, record the score you most likely would have made. It is the number of strokes (including penalty strokes) taken thus far plus the number of strokes it will take you to complete the hole from that point. An "X" should precede the score on the scorecard. I played a hole like a champ in only 4 strokes but my opponent was left for a putt for a 6 from 15 feet away so I conceded his putt to him. Therefore my opponent would record x-7 on the card. He had taken 5 strokes already and he would have needed two more strokes in most cases to finish the hole. Keep in mind that a player cannot put down more than his equitable strokes and in this case my opponents equitable stroke control number was 7.

### **HOLES NOT PLAYED:**

When a hole isn't played, your score for the hole is par, plus any handicap strokes to which you are entitled based on your full course handicap. This also applies to any hole that you do not play by the Rules of Golf. For example, when I beat my opponent in our match on the 17<sup>th</sup> hole, if we hadn't played the 18<sup>th</sup> hole, I would have written down an x-5 for me and an x-6 for my opponent for the hole not played. It was a par 4 and my handicap on that hole was one stroke and for my opponent it was 2 strokes.

### **POSTING YOUR SCORE:**

- Post scores from home and away courses.
- Post scores in all forms of play; match play, stroke play, even team competitions in which you are requested to pick up.
- Post your score when you play at least 13 holes out of 18-holes or at least 7 of 9 holes. On the holes you didn't play, record a par plus any handicap strokes you would have received.

### **DON'T POST THESE SCORES:**

- If you have played fewer than 13 holes (Remember you still have an acceptable 9-hole score).
- When you play in a competition limiting the types of clubs used, such as a one-club or irons-only tournament.
- When a majority of the holes aren't played under the Rules of Golf, as in a "scramble".

**FREQUENTLY ASKED QUESTIONS:**

Q. If we quit after I lose a match, 4 and 3, I haven't completed 18 holes. How do I turn in a score?

A. For the holes that you didn't play, record a par, plus any handicap strokes you would have received using your full Course Handicap.

Q. If I pick up on a hole, what score do I post?

A. For handicap purposes, record the score you most likely would have made – BUT, that score must not exceed your equitable Stroke Control Limit.

Q. If we play "winter rules" or "preferred lies", does it affect my score.

A. The USGA doesn't endorse winter rules for several reasons and advises against using them. If however, winter rules are in effect, scores must be posted unless the committee in charge of a particular event decides differently. Long term use of preferred lies will tend to lower scores and lower your handicap index which will put you at a disadvantage against other players who don't use preferred lies.

Sue read thank you notes from the Silver Bluff HS Coach, Jason Goings, who thanked the CCGA for the generous contributions provided during their hosting of the 2A Regional Tournament held at the GC@CC on April 29<sup>th</sup>.

## **1. MINUTES OF PRIOR MEETING**

There were no corrections, additions or changes to the minutes of the April 15, 2008 meeting and they were declared accepted as posted.

## **2. TREASURER'S REPORT** - Andrew Wilson

Andrew Wilson reported the balance in the treasury at \$2,265.53. Andrew explained the expenses and revenue through May 20, 2008. Andrews report was accepted as presented.

## **3. TOURNAMENT COMMITTEE** – Mickey Collins/Bob Armstrong

The next CCGA event will be the Spring Championship Tournament on May 23<sup>rd</sup> with a 9 AM shot gun start. Immediately following play, members are reminded to assemble at the Memorial Garden on Hole #7 for our annual Memorial Remembrance. A hamburger and hot dog lunch will be served following the Memorial.

## **4. HANDICAP/RULES COMMITTEE** – Dave Beveridge

Dave reported that the committee will continue to audit the posting of scores in May in an effort to ensure compliance.

## **5. PROGRAMS & EVENTS**

No report

## **6. Safety & Welfare**

John Turner reminded members that we are still accepting donations in order to purchase the final AED. The AED located between the # 2 green and Club Drive currently covers holes 7, 8 and 3. We would like to relocate that AED to the cart path exiting hole # 7 and install the final AED at the cart path exiting hole #2. The Executive Board will be looking into ways to raise the additional monies needed. We would also like to remind members that the Property Owners Association of Cedar Creek will now be offering training for the use of AEDs along with CPR.

## **7. CLUB REPORT**

Laurie reported that the club is in the process of meeting with the various groups (dog fight, resident league, Ladies Groups etc.) playing at the club in an effort to improve customer service and provide continuity.

The club now has handicap flags available for those members with a written request from their doctor.

Pace of play is improving. Suggestions for speeding pace continue to be given to the various groups.

REMINDER: The Cedar Creek open is scheduled for Friday, June 13<sup>th</sup> at 9 AM. Sign -up is available at the club.

Due to the number of members who are not aware of how the distribution of the meal charges work, Kat, our F & B Manager, explained.

Example: The meal charge for the Friday Night Scramble is \$9.00  
Those nine dollars includes unlimited fountain drink refills, tax and gratuity.  
The food cost is between \$6 and \$6.50

## **8. UNFINISHED BUSINESS**

There was no unfinished business.

## **9. NEW BUSINESS**

Bob asked for volunteers for the nominating committee. As the Annual meeting will be in September this year, it is time to start the process of putting a slate of officers together for the 2009-2009 Executive Board.

**THE NEXT CCGA MEETING IS SCHEDULED FOR JUNE, 2008 AT 6:30 IN THE GRILLE.**

## **10. MEETING ADJOURNED -6:50PM**

Respectfully submitted,

Susan D. Mulvey  
Secretary

> I want to thank the members of the Cedar Creek Golf Association for all of the wonderful food for yesterday's 2A Region Tournament. We will advance to the Lower State Championships on Monday at Sweetwater Country Club in Barnwell. We had extra sports drinks etc. and they will come in handy then. Your dedication to advancing the game of golf is a great thing. Building young players is the key to the success of the game in the future.

# **CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING MINUTES**

**June 17, 2008**

Bob Leith called the meeting to order and welcomed all those present. He reminded members to sign in and update e-mail addresses. Thirty-three members were present.

New Members Dick and Sandy Gaul and Tom and Mary Ann Murphy were introduced and welcomed.

## **1. MINUTES OF PRIOR MEETING**

There were no corrections, additions or changes to the minutes of the May 20, 2008 meeting and they were declared accepted as posted.

## **2. TREASURER'S REPORT** - Andrew Wilson

Andrew Wilson reported the balance in the treasury at \$2,547.14. Andrew explained the expenses and revenue through June 17, 2008. Andrews report was accepted as presented. There are 172 members to date.

## **3. TOURNAMENT COMMITTEE** – Mickey Collins/Bob Armstrong

The next CCGA event will be a Stableford format held on July 12 with a 9 AM shot gun. Breakfast will be served from 7:30 to 8:45 AM.

Bob reported that 52 players participated in the May tournament and 42 players participated in the June tournament.

## **4. HANDICAP/RULES COMMITTEE** – Dave Beveridge

Dave reported the percentage of members not posting scores is much lower – good job! The committee will continue to audit the posting of scores in an effort to ensure compliance.

## **5. PROGRAMS & EVENTS**

No report

## **6. CLUB REPORT**

Laurie reported that the granite yardage markers for the four Par 3 tee-boxes should be here next week.

Sales are on going for the large granite hole markers.

Unforeseen problems have delayed the installation of the hazard stakes.

Handicap flags are available in the pro shop for those club members with a doctor's note.

The club is still working on picking up the pace of play of various groups. The rangers will begin putting these groups on the clock.

Laurie is working on getting a representative from all the club groups together in an effort to set club standards.

Laurie announced that Friday and Sunday double tee-times will be available from 7:30 to 9:30 AM.

The first of many Happy Hours was held on Wednesday, June 11<sup>th</sup> at The Grille. It was estimated that over 100 Cedar Creek residents attended and had a wonderful time. The next Happy Hour is set for July 16<sup>th</sup> from 4:30 to 6:30PM.

## **7. UNFINISHED BUSINESS**

Mike Lesick announced that the Nominating Committee is looking for members who are interested in filling the Executive Board positions.

Bob stated that a slate of officers must be prepared 60 days and posted for 30 days prior to the election at the annual meeting in September.

## **8. NEW BUSINESS**

Pat Sullivan had a number of comments she wished to bring up to the membership. After having Helen Barry read aloud Article 2 (Purpose) of the CCGA Constitution those comments were as follows:

1. It appears to her that the CCGA is only interested in numbers and dollars instead of the nuts and bolts of "pure" golf. Perhaps an Association is no longer necessary
2. She requested the CCGA have just one tournament that was "pure Golf" (i.e. put everything out and take the full gross score without equitable max.)
3. Why can't the ladies tee-off with the men on Thursdays?
4. The CCGA does not follow the rules set forth by the USGA.

A discussion followed, at which time only the second item was addressed before the entire room was out of order. Once order was re established members wished to adjourn the meeting.

**THE NEXT CCGA MEETING IS SCHEDULED FOR July 15, 2008  
AT 6:30 IN THE GRILLE.**

**MEETING ADJOURNED -7:10 PM**

Respectfully submitted,

Susan D. Mulvey  
Secretary

## **1. MINUTES OF PRIOR MEETING**

There were no corrections, additions or changes to the minutes of the June 17, 2008 meeting and they were declared accepted as posted.

## **2. TREASURER'S REPORT** - Andrew Wilson

Andrew Wilson reported the balance in the treasury at \$2,496.43. Andrew explained the expenses and revenue through July 15, 2008. Andrews report was accepted as presented. There are 179 members to date.

## **3. TOURNAMENT COMMITTEE** – Mickey Collins/Bob Armstrong

The Stableford format tourney held on July 12 had 40 participants. Breakfast was reported to be very good. Thanks to Kat and her staff.

Mickey reported that the next tournament will be The 2 Person Shambles on August 9<sup>th</sup> shot gun at 9am. Breakfast will be served beginning at 7:30am. Sign up in the Pro Shop.

## **4. HANDICAP/RULES COMMITTEE** – Dave Beveridge

Dave reported that with Laurie's help they now have a list of all players currently listed in the computer holding USGA handicaps. That list will be edited and used as a comparison to the current list of those members posting scores.

Dave stated that 63 persons currently listed with the club as having a USGA handicap have not posted a score once this year. The June posting compliance was at 82%; good, but not great. Dave reminded members that

all postable away scores should be posted including those playing in the CSRA Seniors, Church Golf and the Aiken Seniors.

## **5. PROGRAMS & EVENTS**

No report

## **6. CLUB REPORT**

Laurie reported that the granite yardage markers for the four Par 3 tee-boxes have been delayed.

The hazard stakes on hole #3 should be in place by the end of next week.

Please keep carts out of the waste bunkers.

The pace of play still needs to be improved. Club will be looking into pairing up singles and two-somes during the AM tee times and the rangers may need to keep time on some groups.

Maintenance is currently waging war on the weeds around the course and will be looking into the fire ant population and cleaning up after the tree removal project.

Aerification issues and future maintenance:

- Small tine and top dress – 6/08
- Large tine (deep) - early 07/08
- Verticutting - late 07/08
- Small tine and top dress – mid 08/08
- Overseed – Oct. 2008

Laurie stated the deep tine aerification will be top dressed as needed and when asked when we will have the greens back to the pre-aerification state, answered that it would be September.

Kathryn reminded those present that the next Happy Hour is set for July 16<sup>th</sup> from 4:30 to 6:30PM.

## **7. UNFINISHED BUSINESS**

Nominating Committee:

Mike Lesick announced that the Nominating Committee is still looking for members who are interested in filling the Executive Board positions, particularly the position of secretary. Please contact Mike, Linda Goheen or Bob Miller if you are interested.

The Board and the committee will be looking into ways to ensure a large turn out of members at the September Annual meeting. The membership packages will be available in the Pro Shop this week.

Burt Wronsky commented that the fire ants are particularly nasty this year and asked that, if there was room in the budget, the club take care of the problem. Laurie will check it out.

Laurie thanked the members (100+) who responded to the questionnaire sent out by the club. They have received a lot of feed back and will be looking into what projects can be addressed in the coming year.

## **7. UNFINISHED BUSINESS**

Secretary – Sue Mulvey  
Tournament Co-Chairs –

Bob reminded members that nominations may be made from the floor prior to the vote at the annual meeting.

Arrangements have been made for the September 16th Annual Meeting. Bob announced that the meeting will begin at 6 PM with a putting contest on the practice green. A vote was taken to approve the donation of \$250 for a hole sponsorship for the Rally for a Cure Tournament in October. Approval was unanimous.

Patty Sullivan suggested that the Dog Fight be controlled by a committee separate from the CCGA Board. Ron Phillips commented that this would not be necessary. No further discussion ensued.

**THE NEXT MEETING IS THE CCGA ANNUAL MEETING  
SEPTEMBER 16, 2008 AT 6PM.**

**MEETING ADJOURNED -6:55 PM**

Respectfully submitted,

Susan D. Mulvey

## RULES OF THE CEDAR CREEK GOLF ASSOCIATION DOGFIGHT

Effective this date, this is the **only document** (other than computer software and instructions for entering information into the Dogfight Computer) **used to regulate the CCGA Dogfight**. If a **prior rule** has been **omitted** from this document, it is **not now in effect**. Revisions of this document may be accomplished by **motions approved at CCGA meetings**. **Disagreements** regarding the interpretation of any aspect of this document will be **adjudicated by the CCGA Executive Board in an ad hoc meeting**. In such cases, it may be necessary to defer the payout of a Dogfight.

### FORMAT OF PLAY

1. The Dogfight is an individual stroke play competition. Each player plays his/her own ball without handicap.
2. The format of the Dogfight is **STABLEFORD** as defined by USGA Rule 32-1 b (with points allocated as indicated below).

Deleted: MODIFIED

BOGEY	1 POINT
PAR	2 POINTS
BIRDIE	3 POINTS
EAGLE	4 POINTS
DOUBLE EAGLE	5 POINTS

3. A player's place in the competition is determined by how many points he/she exceeds or falls short of his/her "target" (see Establishment of Target below). For example, a player whose "target" is 20 points and who made 22 points is "plus 2". This player would place higher than a player who was "minus 1" and lower than a player who was "plus 6" compared to their "targets". **The point to remember is that your place in the competition is based on how many points you made compared to your "target".**

### ESTABLISHMENT OF TARGET

Deleted: January 17

Deleted: 6

Approved at the 2, 2008 CCGA Meeting

# Cedar Creek Golf Association

November to the 1<sup>st</sup> Tuesday after the start of daylight savings time. Start times are subject to change by the Pro Shop.  
Exception to shotgun start: women playing in their own competition and wishing also to compete in the Dogfight may tee off up to 30 minutes before the Dogfight start time.

10. On Saturdays, the starting time (tee times rather than shotgun) is 9am throughout the year. Please sign up in the blue book at the desk in the Pro Shop by Tuesday if you wish to play in the Thursday or Saturday Dogfight.

Deleted: Wednesday

## ENTRY FEE

11. On Tuesday and Thursdays the Entry Fee is \$5.00.

12. On Saturdays the Entry Fee is \$10.00.

13. The entry fee will be refunded to a player who is unable to complete the Dogfight due to an injury, sudden illness or other emergency situation.

## GENERAL RULES OF PLAY

14. Participants may play the Dogfight from any set of tees for which the course has been rated by the South Carolina Golf Association, providing that he/she has qualified and remains qualified from the tees selected for play on a particular day (see "ESTABLISHMENT OF TARGET" above).

Deleted: (EXCEPTION: MEN MAY NOT PLAY FROM THE RED TEES)

15. Once the player has selected the playing tees when he/she signs in on the computer for the round, the player must play from those tees for the entire round or be disqualified. Therefore, it is important that players switching tees understand how to properly sign in on the computer when switching tees. It is the player's responsibility to seek assistance, if necessary, to properly sign up in the computer when switching tees.

16. There are no mulligans.

17. Putt out on all holes. But if you cannot score a point, pick up, to help speed up play, and follow the USGA procedures for recording the gross score for an uncompleted hole.

Deleted: Pick up after a double bogey.

## **CEDAR CREEK GOLF ASSOCIATION ANNUAL MEETING MINUTES**

**September 16, 2008**

After a putting contest, Bob Leith called the meeting to order and welcomed all those present. He reminded members to sign in and update e-mail addresses. Of the one hundred and seventy three members, 40 were present.

There were no corrections, additions or changes to the minutes of the August 19, 2008 meeting and they were declared accepted as posted.

Bob called for a motion to forego committee reports. A motion was made and duly seconded.

Laurie's club report included:

- Laurie will continue to work to build the social fabric of the club.
- A "Thank you" to Kat for the great job she's been doing.
- Bob Leith acknowledged of the new yardage markers on the Par 3's.
- In answer to questions regarding the club membership increases, Laurie stated that the modest increase is due to increased operating costs and improvement projects that will be taking place. Laurie will communicate those projects as they come up. The handicap charge is a pass-along charge that the club chose not to pass on in the previous years
- The next Happy Hour is set for September 24<sup>th</sup> from 4:30 to 6:30PM.

### **PUTTING CONTEST WINNERS**

First Place Tie – Steve Price and Bill Hunkley

## **PROPOSED DOGFIGHT RULE CHANGES**

Bob asked for a motion and second to approve the proposed changes to the current Dog Fight Rules. After a statement made by Ron Phillips and concurred by other members, the motion was defeated. A second motion was presented; to accept all the proposed changes but striking PAGE 2, SCHEDULE OF PLAY, Item 9, Last Sentence: *Exception to shotgun start: women playing in their own competition and wishing also to compete in the Dog Fight may tee off up to 30 minutes before the Dogfight start time.* This motion was unanimously approved.

## RULES OF THE CEDAR CREEK GOLF ASSOCIATION DOGFIGHT

Effective this date, this is **the only document** (other than computer software and instructions for entering information into the Dogfight Computer) **used to regulate the CCGA Dogfight**. If a **prior rule** has been **omitted** from this document, **it is not now in effect**. Revisions of this document may be accomplished **by motions approved at CCGA meetings**. **Disagreements** regarding the interpretation of any aspect of this document will be **adjudicated by the CCGA Executive Board in an ad hoc meeting**. In such cases, it **may be necessary to defer the payout of a Dogfight**.

### FORMAT OF PLAY

1. The Dogfight is an **individual stroke play competition**. Each player plays his/her own ball without handicap.
2. The format of the Dogfight is **STABLEFORD** as defined by USGA Rule 32-1 b (with points allocated as indicated below).

BOGEY	1 POINT
PAR	2 POINTS
BIRDIE	3 POINTS
EAGLE	4 POINTS
DOUBLE EAGLE	5 POINTS

3. A player's place in the competition is determined by how many points he/she exceeds or falls short of his/her "target" (see Establishment of Target below). For example, a player whose "target" is 20 points and who made 22 points is "plus 2". This player would place higher than a player who was "minus 1" and lower than a player who was "plus 6" compared to their "targets". **The point to remember is that your place in the competition is based on how many points you made compared to your "target".**

### ESTABLISHMENT OF TARGET

4. Each player in the Dogfight must establish a "target" score(s) which then becomes the baseline to compute his/her score for each Dogfight competition. The "target(s)" is recomputed after each competition and **may be established for multiple tees**. Players will establish their target(s) playing from their appropriate tees as follows:
  - a. A player must compete in the Dogfight three times to establish a "target" from each set of tees from which the player wishes to play. The "target" is determined by averaging the best three point totals of the last five Dogfights played from each tee. If a player has played only three times from a tee, then it is the average of the three; if only four times, it is the average of the three best of the four.
  - b. A player who wishes to have the option to play from multiple tees (e.g. one set one day and one set another day) may establish targets for more than one set of tees.

# Cedar Creek Golf Association

- c. A player not playing in a Dogfight for 6 months must re-establish his/her "target(s)".

## ELIGIBILITY FOR PRIZES

5. Players are eligible to win only prizes for closest to the pin until they have established their "target(s)" by playing in three Dogfights from the same tees. On their fourth round, they are eligible for all prizes.
6. All players **must check in on the Dogfight computer** before starting the round or no later than the start of play on the back nine holes **to be eligible for any prize money. There is no refund of the entry fee if you do not check in on the computer.**
7. **Each player must sign his/her score card before turning it in. Failure to do so will result in disqualification; the entry fee will not be refunded.**

## SCHEDULE OF PLAY

8. Normally, the Dogfight is held on **Tuesdays, Thursdays and Saturdays.**
9. **On Tuesdays and Thursdays**, the starting time (**shotgun start**) is **9am** beginning with the first Tuesday after the start of daylight savings time to the first Tuesday after 1 November. The Start Time changes to **10am** on the first Tuesday after 1 November to the 1<sup>st</sup> Tuesday after the start of daylight savings time. **Start times are subject to change by the Pro Shop.**
10. **On Saturdays**, the starting time (**tee times rather than shotgun**) is **9am throughout the year. Please sign up in the Dogfight book** at the desk in the Pro Shop by Tuesday if you wish to play in the Thursday or Saturday Dogfight.

## ENTRY FEE

11. On **Tuesday and Thursdays** the **Entry Fee** is **\$5.00.**
12. On **Saturdays** the **Entry Fee** is **\$10.00.**
13. **The entry fee will be refunded to a player who is unable to complete the Dogfight due to an injury, sudden illness or other emergency situation.**

## GENERAL RULES OF PLAY

14. **Participants may play the Dogfight from any set of tees for which the course has been rated by the South Carolina Golf Association**, providing that he/she has qualified and remains qualified from the tees selected for play on a particular day (see "ESTABLISHMENT OF TARGET" above).
15. Once the player has selected the playing tees when he/she signs in on the computer for the round, the player must play from those tees for the entire round or be disqualified. Therefore, **it is important that players switching tees understand how to properly sign in on the**

# Cedar Creek Golf Association

computer when switching tees. It is the player's responsibility to seek assistance, if necessary, to properly sign up in the computer when switching tees.

16. There are no mulligans.

17. Putt out on all holes. But if you cannot score a point, pick up, to help speed up play, and follow the USGA procedures for recording the gross score for an uncompleted hole.

18. **Dogfights are played under USGA Rules, and any permanent or temporary Local Rules.** If you participate in the club's Handicap System, post your gross score, properly adjusted if necessary according to USGA procedures, in the handicap computer after your round.

## INCLEMENT WEATHER

19. During inclement weather, the Dogfight is considered official if more than 50% of the field completes play (i.e. all eighteen holes). If official, those who do not complete play are eligible only for closest to the pin payouts and will not have their entry fees refunded. If not official, entry fees will be refunded to all players. In any case, players not completing the round should turn in a score card marked "withdrew". USGA procedures for posting scores for partial rounds must be followed.

## PAYMENT OF PRIZE MONEY

20. A pool of money is created for distribution. The pool consists of the total of all entry fees paid by the participants. The pool will be reduced to zero in accordance with the following:

a. A predetermined amount (closest to the pin pool) is set aside for the closest to the hole on each Par 3. The shot on the green closest to the hole on a Par 3 will win 25% of the closest to the pin pool. If fewer than four such shots occur, the closest to the pin pool will be divided by the number of qualified shots.

b. The total pool less the amount provided in "a" above will be paid to participants whose points scored are most favorable to their "target points". A predetermined schedule, available for inspection, shows the number and amounts of payouts to be made.

c. A participant is not required to be present at the time of the payout to win. The official scorer will leave unclaimed money in the Dogfight box in the Pro Shop for future distribution.

d. Any prize money unclaimed for six months will be forfeited and placed in the hole-in-one fund.

# **CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING MINUTES**

**October 21, 2008**

Greg Pasco called the meeting to order and welcomed all those present to the first meeting of the new CCGA executive board. The meeting was attended by 25 members.

## **1. MINUTES OF PRIOR MEETING**

There were no corrections, additions or changes to the minutes of the September 2008 annual meeting and they were declared accepted as posted.

## **2. TREASURER'S REPORT** – Bob Costanzo

Bob reported the balance in the treasury for fiscal year ending September 31, 2008 at \$3,784.93. The treasury balance ending October 21, 2008 is 5,102.13. Bob explained that the fundraiser account of \$757.20 was drawing bank fees and was moved into the regular CCGA checking account. Bob stated that this money is not part of the general fund. Greg stated that a decision as to what should be done with this money will be brought before the members in the coming months. Bob announced that we have 129 current association members, 67 % of the projected annual membership.

## **5. PROGRAMS & EVENTS** – Dan Mulvey

As per the CCGA constitution, Dan will try some new and different programs and events this season to “promote fellowship and foster a desire for advancement and improvement of our golf games” and maybe learn something new and have some fun. The committee is looking forward to continuing the match play event and having various programs, contests and quizzes (arghhhh!) before, during or after the monthly meetings. Dan left a sign-up sheet for anyone interested in helping out on the committee and is open to any and all suggestions from the membership. At this time Dan had his first pop quiz regarding Ryder Cup trivia. Bill Ely answered the most questions correctly and won one of the many fabulous prizes that will be awarded this season.

### **3. TOURNAMENT COMMITTEE** – Steve Santos & Mike Lesick

Steve reminded members that the next CCGA tourney will be a Captain's Choice (u-pick) with a computer generated team handicap. The event will be held on November 8<sup>th</sup> with a 10:30 AM shot gun immediately following breakfast beginning at 8 AM. The cost of the event is \$28 (does not include cart) and \$10 for those who have not yet renewed their membership. **Sign-up deadline is Wednesday, November 5<sup>th</sup>.** Steve went on to explain that this season's key objective is to generate more interest in the events and have more fun regardless of playing ability. The committee will be working with Kat in the Grille to provide great meals and they are implementing ways to ensure that all players receive prizes. The committee has began soliciting hole sponsors to help generate money for additional prizes. Sponsors pay \$200 per year for a hole sponsor sign that will be on one of the holes during each CCGA event. Steve requested that if members visit one of the sponsor businesses, they may want to express their thanks for the support.

### **4. HANDICAP/RULES COMMITTEE** – Mickey Collins

Mickey announced that he, Paul Pecoraro, Dave Beveridge, Gloria Baseshore, George Montgomery and Laurie will make up the Handicap committee this season. Mickey fielded a suggestion that the committee may want to look into re-handicapping all the holes this year.

### **6. CLUB REPORT**

Laurie reported that the granite yardage markers for the four Par 3 tee boxes have been installed with the help of Andrew Wilson and Greg Pasco.

Maintenance is completing the clean up after the tree removal project. Laurie also reminded members that the over seeding of some of the fairways and greens is coming along nicely. The Club Championship plaques have been updated and will be hung in the members lounge. The Golf Club at Cedar Creek received a 3-1/2 star rating in the Golf Digest 'Best Places to Play survey of 6000 courses. And a Friday Night Couples Scramble & Dinner (just like the spring event) will be starting up on Friday, November 7<sup>th</sup> at 3 PM. Sign-up deadline is Tuesday, November 4<sup>th</sup>. Cost is \$3 for prize money, cart fee (unless you have the plan) and \$10 for dinner.

Kat reminded members that this Wednesday, October 22<sup>nd</sup> is Halloween Happy Hour from 4:30 to 6:30. The November and December happy hours will go back to one per month. Also watch for the Grille's weekly lunch specials. Kat would also welcome your suggestions for additions to the Grille's menu.

## **7. UNFINISHED BUSINESS**

There was no unfinished business this month.

## **8. NEW BUSINESS**

Greg presented a suggested change to the current CCGA Supplemental Hole-in-one Rules as follows:

Add "any CCGA member in good standing, (who has paid their dues for the current season) is to receive a commemorative plaque and have their names added to the Hole-in-one plaque in the members' lounge.

Greg called for a vote which was carried unanimously.

The floor was then opened to questions from the members.

**John Eden** – Think about limiting the HIO prize money to \$500.

**Mike Wittkamp** – What is the standard rule on placement of bunker rakes?

**Ken Allor** – What part of bunker should the rakes be placed?

**Laurie** – Rakes should be placed in the flat area of the bunkers. Stickers will be placed on the rakes as a reminder and she will have something in the *Sandbagger* also.

**Steve Santos** – Request to keep carts on cart path not on grass areas around greens. Passing should be done on the right of parked carts not over the grass. This would help prevent bare areas around the greens that would require new \$od.

**Burt Wronsky** – Handicapped players using the blue flags should be told where their carts can and cannot go.

**Laurie** – The issue has been taken care of.

**Bob Costanzo** – Thank you to Andrew Wilson for keeping fantastic records that made the transition extremely easy.

**THE NEXT MEETING IS THE CCGA ANNUAL MEETING  
November 18, 2008 AT 6:30PM.**

**MEETING ADJOURNED**

Respectfully submitted,

Susan D. Mulvey  
Secretary

## **HOLE-IN-ONE CLUB**

The Golf Club at Cedar Creek manages the Hole-in-One (HIO) Club. Their rules include:

- 1) The HIO Club is open to all members of The Golf Club at Cedar Creek who are in good standing with active memberships.
- 2) The Fund for the HIO Club is maintained by the Club and is paid out for witnessed holes-in-one. The amount paid out is dependant on how much money is in the fund at the time of the HIO. If two or more holes-in-one occur on the same day, claims will be addressed in sequence, based on the time of day the HIO occurred.
- 3) Hole-in-one claims must be made to the golf club pro shop immediately following the round. Information provided must include the name of the player, the hole number, the club used, the tee from which the shot was played, the time of day and the name(s) of the witness(es).
- 4) To enter for a chance to win any accumulated money in the HIO Club Fund, the entrant must contribute fifty cents (\$0.50) to the HIO Club prior to playing their round. Playing multiple rounds in the same day requires multiple contributions of fifty cents to the HIO Club Fund.
- 5) A minimum of nine holes must be played to qualify for a payout for a hole-in-one.
- 6) If less that \$500 is in the HIO Fund, one (1) witness other than the player is required. If more than \$500 is in the HIO Fund, the event must be witnessed by two (2) persons other than the player making the hole-in-one. Hole-in-one claims made by solo players will not be recognized.
- 7) The Hole-in-One Club is intended for holes-in-one made at The Golf Club at Cedar Creek. Claims of a HIO made at other clubs will not be recognized.

## **CCGA HOLE-IN-ONE** **SUPPLEMENTAL GUIDELINES**

In addition to the rules set forth by The Golf Club at Cedar Creek regarding the Hole-in-One Club, the CCGA provides the following:

- If a CCGA member in good standing makes a hole-in-one and has complied with the HIO Club rules, that member is entitled to receive from the CCGA a commemorative plaque acknowledging the achievement, and will have their name added to the Hole-in-One plaque in the members' lounge.
- It is the responsibility of the CCGA member to report a HIO to the CCGA Executive Board within thirty (30) days of the occurrence in order to receive a CCGA award.
- The CCGA will guarantee a minimum of \$100 to its members who make a hole-in-one and have complied with the rules of the Hole-in-One Club. This minimum will come into play when the money in the HIO Club Fund is less than \$100. The Club will pay out whatever the current amount is in the HIO Club Fund and the CCGA will make up the difference up to \$100.

Example: The HIO Club has \$60,  
A CCGA Member makes a hole-in-one,  
Club pays member \$60,  
CCGA pays member \$40,  
Member receives \$100.

Example: The HIO Club Fund has \$200,  
Two CCGA members make holes-in-one on the same day,  
The CCGA member who made the first HIO at 9am  
receives \$200 from the HIO Club Fund,  
The second CCGA member who made the second HIO at  
2pm receives \$100 from the CCGA.

# **CEDAR CREEK GOLF ASSOCIATION MONTHLY MEETING MINUTES**

**November 18, 2008**

Greg Pasco called the meeting to order and welcomed all those present. There were no new members present this evening. The meeting was attended by 26 members. Greg presented the "prestigious" Hole-in-One Trophy to Bill Marks for his HIO on #5 on November 4<sup>th</sup>. Gil Leska also had a HIO on #5 while playing on November 8<sup>th</sup> but was not present.

## **1. MINUTES OF PRIOR MEETING**

There were no corrections, additions or changes to the minutes of the October 2008 meeting and they were declared accepted as posted.

## **2. TREASURER'S REPORT** – Bob Costanzo

Bob reported the balance in the treasury ending November 18, 2008 is \$6,024.41. Bob explained the debits and credits to the account. There are 154 current association members.

## **5. PROGRAMS & EVENTS** – Dan Mulvey

Dan did not have either an amusing anecdote or a quiz this evening. He did state that the committee is still looking for volunteers. Next month Dan will present the group with a survey consisting of various programs and events the committee is currently considering as well as providing an opportunity for the membership to express ideas on those events and/or programs that they would like to see implemented.

## **3. TOURNAMENT COMMITTEE** – Steve Santos & Mike Lesick

Steve announced that 56 players participated in the November Captains Choice Tournament. All 56 players went home with a prize. The committee has been soliciting hole sponsors to help generate additional money which will enabled the committee to purchase additional prizes over and above what is generally awarded during the 10 annual CCGA tournaments. The ever popular "Bubba" Tournament is next on the

schedule. The December 13<sup>th</sup> 10 AM shotgun will follow breakfast beginning at 8 AM. Sign-up is available in the Pro Shop.

#### **4. HANDICAP/RULES COMMITTEE** – Mickey Collins

Due to recent knee surgery, Mickey was not in attendance to give the committee report.

#### **8. NEW BUSINESS**

As noted in the October 2008 minutes, the CCGA treasury is currently holding \$757.20 that was transferred into the general account from the AED Fund Raising Account. Greg asked the members present to give some thought to and be prepared to vote on how the Association should use these funds at the December General Meeting. After discussion and comments, Dan Mulvey made a motion to give the \$757.20 to the POAAC (Owners Association) who are currently in charge of the maintenance of the AED units. The money would be given to the POACC with the proviso that it is only to be used for the maintenance and upkeep of the AED units. After additional discussion a vote was taken and the motion was defeated. The members were once again asked to consider the possible uses for the \$757.20 and be prepared to make a decision and vote on the issue at the December meeting.

#### **9. CLUB REPORT** –Laurie

Laurie once again discussed the creation of what is now being called a Member Advisory Board that will combine the clubs various segments into one group to work to improve, grow and develop consistency. When asked when this idea would become an action item, Laurie responded that she is looking at early December. Laurie also advised the group that the club will be under going the reproofing of both the cart barn and the club house. This was going to cause disruptions to daily business and asked for patience and understanding through out the project. Laurie notified the members that one of the projects for the coming year will include the # 3 Fairway. When asked what happened with the results of the member survey that was conducted months ago, Laurie responded that projects like the #3 Fairway are a result of the survey. Laurie was asked if the management would share the club's annual business plan with the membership as was done in the past. Laurie will see if that can be arranged for the January general meeting.

## **7. UNFINISHED BUSINESS**

There was no unfinished business this month.

**THE NEXT MEETING IS THE CCGA ANNUAL MEETING  
November 18, 2008 AT 6:30PM.**

## **MEETING ADJOURNED**

Respectfully submitted,

Susan D. Mulvey  
Secretary

Greg Pasco called the meeting to order and welcomed all those present. There were no new members present this evening. The meeting was attended by 18 members.

## **1. MINUTES OF PRIOR MEETING**

Bob reported the balance in the treasury ending December 16, 2008 is \$5,787.38. Bob explained the debits and credits to the account. There are 161 current association members. In answer to questions brought up at last months meeting, Bob prepared a handout which itemized budgeted expenditures and revenue. A copy is attached to these minutes.

## **3. TOURNAMENT COMMITTEE** – Steve Santos & Mike Lesick

Steve announced that 69 players participated in the December "Bubba" Tournament. All 69 players went home with a prize. A copy of the tournament payout results is attached to these minutes. January brings the Par 3 Tournament. The January 17<sup>th</sup> 10 AM shotgun will follow breakfast beginning at 8 AM. Individuals as well as foursomes are welcomed to sign-up in the Pro Shop. More information can be found on the flyer posted on the bulletin board.

## **4. HANDICAP/RULES COMMITTEE** – George Montgomery/Mickey Collins

George informed members that the Carolinas Golf Association will be conducting a rules seminar on January 20, 2009 at Hounds Lake Country Club. For more information, go to [carolinascgolfassociation.org](http://carolinascgolfassociation.org).

Mickey reported that the committee is in place. Members include: Mickey, George Montgomery, Paul Pecoraro, Dave Beveridge, Gloria Baseshore, Linda Goheen, Donna Imbrescia and Ray Naramore. Laurie Adams will also be participating on the committee.

#### **9. CLUB REPORT** –Laurie

Laurie was away on vacation so there was no report. However, Katherine announced that the December Happy Hour is Wednesday, the 17<sup>th</sup>. She also reminded members that the club will be closed and December 24<sup>th</sup> and 25<sup>th</sup>. Mike Lesick thanked Kat for providing discounted beer and wine after the "Bubba."

#### **8. NEW BUSINESS**

Greg updated the members on the Member Advisory Board which Laurie is trying to implement. So far the group has had two meetings. Greg assured the members that there is no intention to terminate the CCGA. Laurie is attempting to bring all the various groups together to create one cohesive group. The Rules/Handicap Committee is beginning to crossover to a club wide application and at some point the Programs and Events Committee will also cross over.

The Tournament Committee asked the members to consider a By-Laws change regarding who can play in the CCGA tournaments. They feel that there are a number of residents who are not members of the CG@CC or The CCGA but would like to play in the CCGA tournaments. They would like to open CCGA membership up to all Cedar Creek residents. After a brief discussion the issue was tabled. Additional information and facts will have to be looked at before approaching the membership with a motion.

#### **7. UNFINISHED BUSINESS**

A discussion on the use of the AED funds currently in the treasury was continued from the last meeting. Once again the issue of whether to turn the funds over to POACC for the exclusive use of maintaining the AEDs was tabled.

Dan Mulvey presented the members with the results of the Events Survey.  
A total of 59 surveys were returned. The top six events were as follows:

The member-member Tourney    The Cedar Creek Ryder Cup Team Format
