

# ***THE GACC NEWSLETTER***

**MAY 2024**

Welcome to the first issue of “The GACC Newsletter”!! In this and subsequent editions, the GACC Board intends to prominently highlight the winners of the latest tournament, give shout-outs to volunteerism “above and beyond”, and spotlight notable accomplishments of its members over the preceding month. To this end, the Board asks that everyone submit personal achievements or good fortunes of their GACC friends or playing partners to any Board member so that collectively we can applaud their efforts.
