

## **GACC INCLEMENT WEATHER POLICY**

### **If a planned tournament is cancelled due to forecasted inclement weather:**

- The tournament will be rescheduled in conjunction with golf course management
- All players who have signed up will be notified of the cancellation as well as the rescheduled tournament date.
- All individuals will be asked to confirm that they can play on the new date by **\*\*INSERT DEADLINE DATE\*\***. Checks originally submitted for payment will be kept and cashed after the tournament as before.
- Any player that **CANNOT** play on the rescheduled date must advise the Cedar Creek Pro Shop, and the GACC Treasurer will be instructed to destroy his/her check
- For those members who could not play on the original tournament date (for whatever reason) but would like to play on the new tournament date, a signup sheet will be available in the Pro Shop. The signup sheet will include a revised deadline date for joining the event.
- The original tournament flyer with all revised details will be issued to all GACC members via Golf Genius.

### **In the event of heavy rain, thunder or lightning during play:**

- All players will be instructed by the GPS system on the golf carts to return to the club house, at which time a determination will be made to wait out the storm or cancel the tournament.
- If play can be resumed within an hour of the start of the delay, players will return to the hole being played when the delay occurred, place their ball at its last approximate resting location, and resume play from that point.
- If the tournament is canceled, scoring adjustments will be made by CCGC management, and winners will be announced within two (2) hours of cancellation.
  - Due to the shotgun start, winners will be determined by the number of **CONSECUTIVE HOLES PLAYED** by ALL participants (ex., 1-9, 5-13, 17-7, etc.), and adjusted based upon the “par values” of those holes played. The determination of holes played for each group will be made by CCGC management.
  - “Closest to the Pin” prizes will **NOT** be awarded.
  - Rain checks **for cart rental only** will be issued upon request.
  - **ALL decisions made by CCGC management are final.**
- In either scenario (delay or cancellation), lunch will be served as planned.
